\$21,934 Housing Payment to Agencies

**Paid to Governmental
Bodies by GC Authority
In Lieu of Realty Tax**

A \$21,934 payment in lieu of property taxes for the 1966 calendar year was approved Tuesday night by the Granite City Housing Authority.

It is a slight increase over the previous year, and is further rise next year is anticipated due to completion of the second 100 apartments at the Anchorage. The payment will be divided among local taxing bodies—schools, city, parks, township, county, levee district—in the same proportion that taxes are distributed. Private homes on the same sites might have produced about \$15,000 in yearly taxes, it was estimated.

The payment represents 10% of gross rent income from the 681 apartments that are dedicated to utility costs. Mortgage debt cannot be considered in determining the payment.

Of the 681 apartments, 200 are units for the elderly at the Anchorage. The remaining 481 apartments at Kirkpatrick Homes include about 100 elderly, leaving about 380 units in which school children reside.

Sidewalk Contract
The commissioners accepted a low bid of \$2385 from Ellsworth Concrete Co., Granite City, to replace some sidewalks at Kirkpatrick and to install a sidewalk to improve access to the recreation hall at the Anchorage. Three other Granite City firms bid—\$2855 from Skerle, \$2972 from Leo Wolf and \$3756 from Sternberg.

The housing authority discussed transferring \$17,500 now in local savings and loans institutions to the state treasurer. This is required under a new state law, and a resolution may be acted on at the Oct. 3 meeting.

The funds are the balance of state appropriations originally set.

(Continued on page 22, col. 1)

Condition of Wounded Man Is Improving

Victor W. Noyes, 30, shot while attempting to break into the Madison residence in the early morning of Labor Day, is in fair condition and somewhat improved today at St. Elizabeth Hospital. He was wounded in the left arm and chest by a bullet fired in a 22-caliber rifle.

Clarifying verbal descriptions of the shooting by deputies during the weekend, a spokesman for the sheriff's staff yesterday said that while Noyes did enter the residential building of Bruce Lynn, 2014 Fourth street, East Madison, Mr. Lynn himself was not involved in any way.

Declining to make available any written reports or statements on the case, the spokesman said the statements indicate Noyes was shot by a 75-year-old man residing in the 1900 block of Fourth street. He declined to name the man.

Yesterday's verbal explanation related that Noyes apparently was looking for a woman.

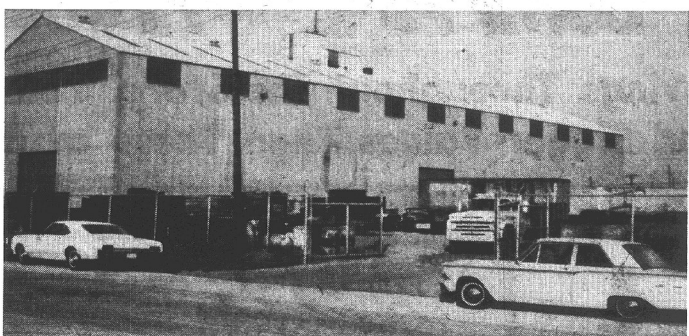

(Continued on page 7, col. 4)

..BIRTHS..

Births recorded at St. Elizabeth Hospital:

GIRLS
Mr. and Mrs. Charles Svoboda, 1108 Reynolds street, Madison, Sept. 6, Pamela Ann, seven pounds, four ounces.
Mr. and Mrs. Jerome Tague, 4144 Division street, Sept. 6, Angela Dawn, eight pounds, eight ounces.
Mr. and Mrs. Billy Sullivan, 2525 Ivy lane, Sept. 6, eight pounds, 14 ounces.

BOYS
Mr. and Mrs. Dale Muskonis, 3406 Kirkpatrick homes, Sept. 5, Joel Eric, six pounds, nine ounces.
Mr. and Mrs. Harold Davis, Route Two, Sept. 7, Randall Lee, seven pounds, 10 ounces.
Mr. and Mrs. William Scott, Route One, Sept. 7, Billy Wayne, four pounds, 14 ounces.

NEW MANUFACTURING FIRM, Steelabrade Corp., will occupy this building at 16th street and Madison avenue and is expected to get in operation by mid-December. The firm will be unique in the area to reclaim usable sheets of steel. Automation will limit the number of employees to a small work staff.

GC Steel Now Removing Nearly 95% Furnace Dust From Air

(Picture on page 5)
The breaking in of a \$3,500,000 gas cooling and cleaning system for new oxygen steelmaking furnaces at the Granite City Steel Co. has progressed to where approximately 95% of the dust which was discharged into the air when the company made steel in open heart furnaces is being removed by electrostatic precipitators. Lyle F. Gully, executive vice-president, reported today.

Gully went Mayor Donald W. parney of Granite City and Henry S. Bienenick, chairman of the Granite City Air Pollution Control Board, that the company

"will continue to refine the operation until the precipitators reach the design level of efficiency and are removing more than 99% of the dust leaving the furnaces."

"The precipitators are now collecting tens of thousands of pounds of iron oxide per day," Gully reported. "We have been able to get the largest single step forward in air pollution abatement to be achieved in the entire area in many years."

"We have established a systematic maintenance program for the precipitators and other units in our \$3,500,000 gas cooling and

cleaning system which must process a tremendous flow of very hot, high-velocity gas loaded with abrasive particles."

Complex Installation
"The equipment in parts of the system is very complicated, both mechanically and electrically, and subject to occasional maladjustment. We have provided sufficient cleaning capacity for other units to carry the load when one unit is down for repairs. However, there will be times when a short discharge of dust into the atmosphere is unavoidable."

"It will continue to be the policy

of Granite City Steel to take all practicable measures necessary to prevent or abate air and water pollution resulting from the operation of our facilities and to cooperate fully with governmental agencies charged with pollution control. In the near future, all our slab heating will be carried out in new furnaces which will be fueled entirely by natural gas."

Granite City Steel Co., Gully pointed out, is the largest steel producer in the area, and manufactures plate, hot and cold rolled sheet, galvanized sheet and other flat rolled steel products.

The new operation will be equipped with modern handling facilities, including a 15-ton crane to serve the entire plant, and the totally automated Wheelabrator.

Only a minimum work staff is to be required. The new firm is authorized to issue 1000 shares of no par value common stock.

10 Undergo Surgery At Local Hospital

The following underwent surgery at St. Elizabeth Hospital this week:
Rosa McIntire, 1433 Third street, Madison; Peter Ernst, 1404 Kirkpatrick homes; Albert Paul, 685 East Chain of rocks road; Anna Muehl, 54 Janday lane; Catherine Nemeth, 3 County lane.
Elizabeth Britt, 710 Third street, Venice; Donna Brooks, 1321 Ferguson avenue; Anton Miller, 2024 Fourteenth street; Anthony Gan, Greenville, Ill.; Pink Guinn, 2438 East 24th street.

25 DAYS WITHOUT A QUAD-CITY TRAFFIC DEATH

The Chinoak-47B helicopter of the type scheduled for display at the Army Depot here tomorrow and Saturday. A Chinoak can carry 33 fully armed troops.

\$1,385,119 New Tax Levy for GC Up \$56,456

A tax levy totaling \$1,385,119 up \$56,456 over last year, was approved Tuesday night by Granite City council members. The increase is not expected to change the tax rate more than penny or two per \$100 assessed valuation. Last year's overall tax rate was 65.9 cents.

The total levy is based on the \$2,721,722 budget adopted by the council in July with the difference being made up by the city's three-quarter cent sales tax, parking fees, city auto license fees and other miscellaneous sources of income.

While there is a large increase in the tax levy for interest and judgment, resulting from the new insurance program approved last year for city employees, there also are reductions. The street department levy was reduced by \$19,872 and the police department by \$1,680.

A breakdown of the new tax levy shows changes from last year's \$1,328,663 levy follows:
General administration, \$48,451, up \$13,826; interest and judgment, \$18,420, up \$11,044; contingent fund, \$238,137, down \$14,680; street department, \$83,418, down \$19,872; roads and bridges, \$80,000, same.

Pumping station, \$5000, up \$2800; humane department, \$4500, up \$3000; inspection department, \$18,420, up \$11,044; police department, \$238,137, down \$14,680; street department, \$83,418, down \$19,872; roads and bridges, \$80,000, same.

There also is a large increase in the tax levy for interest and judgment, resulting from the new insurance program approved last year for city employees, there also are reductions. The street department levy was reduced by \$19,872 and the police department by \$1,680.

New Firm Organized To Reclaim Sheet Steel

**Steelabrade Corp. Will
Locate in Building
At 16th and Cleveland**

A state corporation charter has been issued to Steelabrade Corp., a new flat sheet steel processing firm that will begin operation by mid-December in 15,000 square foot building at 1603 Cleveland blvd.

The incorporators are David N. Jones, who is plant manager of the Nesco Steel Barrel Co. here, and Charles D. Mill, vice-president of production at Hubbell Metals, Inc., local plant. Jones is president of the newly-formed corporation, and Mill is the treasurer.

They pointed out the firm will be the only one of its kind in the Illinois-Missouri metropolitan area to remove scale from hot rolled steel sheets.

To be installed in the building is the first "Wheelabrator," designed to handle sheet steel, and eventually it is planned to process coiled steel.

The Wheelabrator line installation will cost in excess of \$125,000. It is a mechanical process, Jones and Mill explained, to replace the pickling operation in sheet steel production.

The new firm's office and plant will be in the building being leased from S. M. Wilson & Co., local contractor, who had been using it to store large equipment.

The new operation will be equipped with modern handling facilities, including a 15-ton crane to serve the entire plant, and the totally automated Wheelabrator.

Only a minimum work staff is to be required. The new firm is authorized to issue 1000 shares of no par value common stock.

25 Undergo Surgery At Local Hospital

The following underwent surgery at St. Elizabeth Hospital this week:
Rosa McIntire, 1433 Third street, Madison; Peter Ernst, 1404 Kirkpatrick homes; Albert Paul, 685 East Chain of rocks road; Anna Muehl, 54 Janday lane; Catherine Nemeth, 3 County lane.

Baby Boy Born Today in Auto Enroute to Hospital

The stork arrived ahead of schedule early this morning as a Namekiki township mother-to-be was enroute to a St. Louis hospital and resulted in the birth of a four-pound, 14-ounce baby boy in the back seat of the family automobile.

Reported in good condition at St. Elizabeth Hospital and apparently none the worse for the unorthodox surroundings of birth is Billy Wayne Scott, son of Mr. and Mrs. William (Jannie) Scott, Box 36, Rural Route One.

The infant was born about 4 a.m. today on Route 203, south of the McCambridge avenue viaduct. The couple, accompanied by a neighbor, was enroute to a hospital when Mrs. Scott informed her husband that the race was lost and the child already born.

Scott pulled into an all-night service station, south of the viaduct, where an attendant notified Madison police who, in turn, called Jerry Zahm of Madison, an ambulance driver.

Zahm, who has assisted at "four or five emergency births," said he wrapped the infant in a blanket and took him to the local hospital. Also on the scene were Madison Police Sgt. Edward Zabolka and Patrolman Ronald Graywack.

Mrs. Scott and her husband are the parents of three other children. A spokesman for the hospital said the mother also is in good condition.

2 Chinooks to Be On Display at Depot

Two huge Army Chinook-47B helicopters are scheduled to be on display at the Granite City Army Depot from 10 a.m. to 5 p.m. tomorrow and from 10 a.m. to 4 p.m. Saturday. The display is free and open to the public.

Chinook helicopters went into service of the U. S. Army in April, 1963. They have logged more than 180,000 flight hours. Each is capable of carrying 33 combat equipped troops.

Each helicopter has a maximum gross weight of 20,000 pounds empty, and can carry a payload of 15,000 pounds. Equipped with twin Lycoming T-55-L13 engines, the copiers cruise at 170 m.p.h. Each engine produces 2650 horsepower. The "copters" are 83 feet long, and each of their two rotary blades has a diameter of 52 feet.

Depot authorities said the helicopters are to be landed on the "main pad" for the craft, which is located about two blocks immediately west of the main entrance gate on Niedringhaus avenue.

Visitors will not be permitted to board the aircraft.

\$40,000 High Bid
Clarence Etheridge of Granite City submitted the high bid of \$40,000 and the Reinhardt Agency of Granite City bid \$25,000. The property was appraised at \$41,500 and \$40,775 by two St. Louis firms.

Mayor Stephen Macraes reported the consulting engineering firm of Horner & Shiffin of St. Louis advised the city to wait on a study on installing a levee conducted by the Southwestern Illinois Metropolitan Area Planning Commission before conducting a study of its own.

SIMAPAC has applied for federal funds to finance the study. The firm said incinerators are too costly and that well-operated landfills are recognized as being adequate as long as sites are available.

The mayor was authorized to file a formal complaint with the State Air Pollution Control Board against the Purdy Co. and the Hyman-Michaels Co. for allegedly emitting large amounts of smoke. He said that on Aug. 30

(Continued on page 4, col. 6)

Draft Call for 10 Tomorrow; Exam Quota Cancelled

Ten Quad-City area youths are to report at 6:30 a.m. tomorrow to the county selective service office at Edwardsville for armed forces induction, but the call for 10 others to take pre-induction physical examinations has been cancelled.

A spokesman for the county draft office said that notice was received to cancel the pre-induction physical examinations for September and that no notices have yet been received for October quotas.

Lack of funds was given as the reason for cancelling the pre-induction physical exams both in Illinois and Missouri. Men from the Quad-Cities go to an Army center in St. Louis for the examinations.

So far this year, 75 Quad-City men have been drafted, and 10.14 in the same eight-month period last year.

Musical Play Here to Benefit Hospital Fund

The Masquers theatrical organization will present a musical play, "Carnival," in the Quad-Cities this fall, with proceeds going to the St. Elizabeth Hospital fund. The play is a modernization and expansion of the play, which was presented last year at a monthly dinner meeting of the Tri-City Chamber of Commerce board at the Ross Bowl.

The Chamber of Commerce and the Press-Record will jointly sponsor the performance.

Mrs. William F. Hoelscher will be the director of "Carnival." She and other Quad-Cityans are members of the Masquers, an organization which has given plays primarily in the Collinsville area.

The Chamber voted to sponsor the annual "Acre of Art" display next spring. Eugene Alassi, Granite City school district art supervisor, will coordinate the project, which will include art works of both students and the public.

Both the art display and musical play were recommended to the board of directors by the Civic Improvement Committee, headed by Allan Jesse, and its Cultural Affairs Subcommittee, of which Rev. Carl Johnson is chairman.

Wants Letters, Cards

Marine Cpl. Lloyd Watts, who was wounded July 12 in Vietnam, is in good condition at Bethesda Naval Hospital in Maryland after undergoing open heart surgery.

Cpl. Watts, 21, son of Mr. and Mrs. Lloyd Watts, 2837 Pershing avenue, required the operation when it was discovered that shrapnel in his legs had moved through his blood stream to his chest.

"He was transferred from the Great Lakes Naval Hospital to Bethesda hospital for the operation," his mother advised the Press-Record yesterday.

Statistics for August

This year's increasing birth rate for the Quad-Cities continued during August, according to vital statistics compiled for the entire area by Homer "Cal" Penderick, city clerk for Granite City.

Last month's statistics show 113 babies were born here, an increase of 13 over the 100 births recorded in July when a 2½-year record was set. The 113 babies born in August was the largest number of births here since July 1964 when 118 babies were born.

The death rate for the area also increased during August when 51 deaths were recorded—the highest since April of this year with 53 deaths.

The area's vital statistics for the first eight months of the year now total 917, or even 1965, when 918 babies were born. Compared to the 1966 eight-month statistics of 289 births, 288 deaths and four stillbirths.

Prospects are likely for the year's birth rate to top the 1966 total of 917, or even 1965, when 918 babies were born. Statistics for the past 15 years show the peak of the Quad-Cities' birth rate was reached in 1957, when 1495 babies were born. The year 1968 was to 1434, while a further decline was recorded in 1959 with 1361.

Light Bulb Nearly Causes Fire

A 150-watt light bulb resting against a wooden post can cause a fire, a local businessman learned in the nick of time last night.

Vincent Bischof, manager of the local Yelken Supply Co., 20th and Adams street, had returned to his office to do some work shortly before 8 o'clock and noticed a light in the loading dock area that normally is dark.

"I went to the door leading to the warehouse, and when I opened it, I smelled smoke," Bischof said. "The first thing I did was call the fire department. It was the firemen who discovered what had happened."

"They told me I was lucky to have returned when I did, and that the building could have gone up in flames in another 30 minutes. That would have put 10 people out of work."

Bischof said the firemen found a wooden support post "charred and red hot" where the light bulb was against it. "They told me it was ready to take off in flames."

The manager of the plumbing supply firm explained the bulb was in an extension cord and was used in trucks being unloaded at the warehouse.

"It's kept on a nail in the post and is turned off when not in use. I guess no one noticed the light was on at quitting time, because it was still daylight."

"I'm darn glad I came back to the office. That light had been burning at least two hours. I was amazed at how it charred the wood."

"Perhaps this experience can keep this from happening someplace else. You know, this used to be the old Cuddy Lumber Co. building and it's all wood. There could have been a big fire here that would have destroyed the entire building."

The mother said the operation was performed Saturday, and the patient is now looking forward to getting more cards and letters.

Wounded Marine Cpl. Watts Undergoes Heart Surgery

Marine Cpl. Lloyd Watts, who was wounded July 12 in Vietnam, is in good condition at Bethesda Naval Hospital in Maryland after undergoing open heart surgery.

Cpl. Watts, 21, son of Mr. and Mrs. Lloyd Watts, 2837 Pershing avenue, required the operation when it was discovered that shrapnel in his legs had moved through his blood stream to his chest.

"He was transferred from the Great Lakes Naval Hospital to Bethesda hospital for the operation," his mother advised the Press-Record yesterday.

The mother said the operation was performed Saturday, and the patient is now looking forward to getting more cards and letters.

Quad-Cities' Birthrate Highest Since 1964

The drop in the birthrate continued in 1969, going to 132, and the steady decline was in evidence in 1961 when 1297 babies were born.

In 1963, the birthrate dropped to 1096, and the downward spiral showed 1089 births in 1964 and 1055 in 1965, dropping to the low of 917 last year.

A breakdown of the birthrate and "deaths by months this year follows, with the birth figure listed first:
January—24 and 38, February—81 and 30, March—61 and 42, April—58 and 33, May—68 and 36, June—75 and 37, July—100 and 38, August—113 and 51.

Levee Board and Corps of Engineers Plan Conference

Operation of pump stations to eliminate flooding problems during high water stages of the Mississippi River will be a topic of a meeting of the trustees of the East Side Levee & Sanitary District and the St. Louis District office, Corps of Engineers.

Announcement of the proposed meeting was made yesterday morning at the regular session of the levee board in East St. Louis.

The Corps of Engineers is proposing that the levee district take over operation of pump stations during high water stages, and procedures to be outlined. A date for the meeting has not yet been set, but it will be held in the St. Louis District offices.

16,000 More 'Customers'
Under study by the legal staff of the district is a proposal for 1600 added connections in the East St. Louis area for the levee district's sewage treatment plant. The patrons are in the Lansdowne area.

Attorneys for the district are to determine if a flat rate can be charged the users, or if the monthly charge is to be based on water consumption as it is under the revenue bond issue ordinance that covers the cities of Madison and Venice here and other areas. The basic rate is \$1.15 per month, and it is proposed that the city of East St. Louis be paid a collection fee.

Trustee William "Mike" Ebersold said he is opposing any flat rate, since there is the possibility that as the number of users of the sewage treatment facilities of the levee district increases that the basic fee might be lowered. In Granite City, the monthly fee for sewage treatment is 90 cents.

In other action, the levee trustees authorized the district's chief engineer, A. L. Kraemer, make a detailed study of intake pipes of East St. Louis & Interurban Water Co. at East St. Louis to determine the condition of the levee through which the pipes pass.

Officials of the Corps of Engineers have expressed concern over the levee condition in the event of high water. The installation was a joint undertaking of the water company and the levee district.

Nameoki Town Board Authorizes Purchases

Nameoki Township Supervisor Harry Briggs conducted the regular semi-monthly meeting of the Nameoki town board of auditors Tuesday evening and heard members approved purchase of four bookcase fixtures from Graham's Book Store on a low bid of \$128.

Action was deferred on two bids submitted by contracting firms to repaint the interior and exterior of the township office building.

Bills authorized for payment amounted to \$2385 from the general town fund, including \$1021 to the Bonnie Manufacturing Co. of St. Louis, for 110 gallons of insecticide and other special chemicals used in the township's insect fogging equipment; \$2019 from the road and bridge fund, and \$1238 from the special hard road fund, including payment of several bills submitted by the Midwest Blacktop Co. for quantities of oil and chipping materials.

Nameoki township officials will hold their next meeting Sept. 19.

BUILDING OVER A BUILDING being erected at Nesco Steel Barrel Co., 18th and Benton streets, to keep production lines in operation. Once the 100-foot long and 110-foot span new structure is completed, a section of the present frame and brick building will be razed. David Jones, plant manager for the barrel firm, said the entire construction should be carried out without an interruption in the main production line. The firm manufactures barrels for chemical companies and refineries.

A RARITY? — Mrs. Hugh Paulette of Ponton Beach holds up a Bowfin fish (left), caught in Long Lake by six-year-old Patrick Harper, and in her other hand is a Massasauga rattlesnake killed in the area by her husband.

Long Lake Housewife Keeps Natural Science Books Handy

Few sites in the area can offer more to those with a keen interest in natural science than Long Lake, as Mrs. Hugh Paulette, who lives in Kaseberg Trailer Camp a few short steps from the lake, is learning.

Mrs. Paulette has a way with children, and the children in the camp know her hobby of trying to identify all the strange creatures which can be discovered around the lake. It was natural then that when six-year-old Patrick Harper hooked an odd looking olive-green fish with a long way fin down the back and a smaller separate fin, he should bring it to Mrs. Paulette.

Though an experienced fisherman herself, she did not recognize the fish. She took it around to several fishermen before she found an elderly man who identified the fish as a Bowfin.

In her Encyclopedia of Natural Science, she found that Bowfins were "primitive fresh-water fish, the only living representatives of a group once much more common. Sometimes they are referred to as 'living fossils'."

The description of the fish given by the encyclopedia matched Patrick Harper's catch down to a tiny mark just outside the up-

Lt. Octavia Davis Leaving for Vietnam

First Lt. Octavia Davis, U.S. Army Nurse Corps, will embark on the first leg of her return trip to Vietnam next week, departing by commercial airliner Wednesday from St. Louis Municipal Airport for San Francisco, Calif.

The Army nurse, a daughter of Mr. and Mrs. Fred D. Giles, 1035 Calhoun street, Madison, who was recalled home on emergency leave Aug. 14, when her mother suffered a heart attack, will leave Travis Air Force Base, near San Francisco, for Vietnam at 7 a.m. next Thursday. Her ultimate destination is the Third Field Hospital, in Saigon, where Lt. Davis spent seven months prior to her emergency trip home.

She told the Press-Record today that all arrangements for her return flight to Vietnam were "most capably and kindly handled by military personnel at the Granite City Army Depot. They were most kind to me," the nurse said, "not only completing arrangements for the flight, but they also assisted me in translating some complex travel orders that I received by wire Tuesday."

While at the local military installation, Lt. Davis said she met Col. Charles E. Hoskin III, the depot commanding officer, who, she related, was hospitalized for a brief period at the Third Field Hospital, while serving in Vietnam last year.

The nurse reported her mother's condition greatly improved.

HOME FROM VACATION

Mr. and Mrs. Cary Smith of Rhodes street returned home Tuesday night from a ten-day vacation in Kalamazoo, Mich., where they visited Mr. and Mrs. Steve Singleton, brother and sister-in-law of Mrs. Smith. They also visited their son-in-law and daughter, Mr. and Mrs. Glen Sturgeon and family of Streetsboro, O.

Mrs. Remona Sullivan of Ivy lane entered St. Elizabeth Hospital Wednesday afternoon.

Mr. and Mrs. Charles Briggs of Locust, N. C., returned home this week after visiting here with relatives and friends.

Mrs. Virginia Staggs of Bel-nor, Mo., Mrs. Ruth Prier of Jennings, Mo., and Mrs. Gladys Staggs of Cahokia visited Mr. and Mrs. George Staggs and family of William John Court Wednesday evening.

Hearings Sept. 20th For Two Brothers

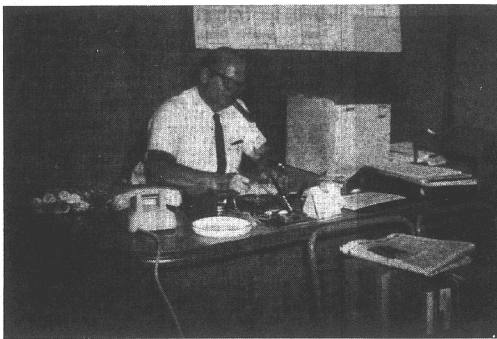

Hearings are scheduled in magistrate court Sept. 20 in Madison for Gary Lusk, 18, and his brother, Paul, 19, both of Apt. 34 Gareche Homes, who were arrested on three charges each Tuesday morning.

The charges were filed following a fracas at the Madison police station about 2:30 a.m. Gary Lusk advised the Press-Record yesterday that he was in the restaurant section of Ralph & Charles' Steak House on Fourth street when he was accosted by a man.

He was asked by police to appear at the police station, and it was when he appeared and was being booked on a disorderly conduct charge that the disturbance took place and Venice and Granite City police were called to assist at about eight other persons had gathered in front of the police headquarters in the city hall on Third street.

Gary said he had several stitches taken to a scalp cut and Paul said several stitches were needed to close at his left eye. Both denied they had struck the officers and said they had never been in trouble before. Both are students.

MORE ABOUT

Tax Levy

he received numerous complaints from city residents because of smoke which blanketed the area.

FHA Studying Request

A letter from Congressman Melvin Price advised that the Federal Housing Authority is investigating the city's request for more contributions in lieu of taxes for providing services to residents of public housing projects.

Mayor Maeras maintains that the federal government is not paying its fair share and could do so from housing income without increasing rentals.

Architect Virgil Dulgeroff was authorized to develop plans for a playground at the city's industrial park to include a ball field, cyclone fence, drinking fountain, comfort station and playground equipment. Mayor Maeras said the possibility of obtaining federal funds to help purchase playground equipment will be investigated.

The council approved purchase of 24 cans of a repellent gas for use against disorderly prisoners.

Emergency Plan

The Illinois division of highways announced that an emergency plan to cope with natural disasters has been developed for the 1-county local division.

The plan includes use of 500 maintenance and highway employees in the district in maintaining traffic control and other disaster procedures. They would work in cooperation with local authorities, according to Robert E. Kronst, district engineer.

Received from the AAA Auto club was a pedestrian safety citation, as the city has had no traffic fatalities for the last two years.

A hearing on two building code violation complaints against Harold Ballentine has been continued until Sept. 27. Mayor Maeras reported. Ballentine was cited for failure to complete construction of apartment buildings at 1601-05 Third street during the past four years.

Fred Aljets, 84, Dies; Former GC Resident

Fred Aljets, 84, a former Granite City resident, died in Grosse Pointe, Mich., on Monday.

Mr. Aljets, son of the late Mr. and Mrs. Martin Aljets, was married in 1910 in Granite City to the former Louise Rapp, who survives. They lived here until moving to Grosse Pointe 50 years ago.

Other survivors include two sons, Orville and Vernon Aljets, Grosse Pointe Woods; a sister, Mrs. Emma Wilkening, Baltho, and two brothers, Henry Aljets of Alton and George Aljets of East Alton.

Funeral services will be held today at Grosse Pointe Woods.

cellus, General Steel Industries; Robert Edmonds, Granite City Steel Co.; Henry Gabriel, Gabriel & Dulgoff architectural firm; James Henderson, Lunders Realty Co.; Anthony Michel, Michel Jewelry; Milton Morris, M.I. n. o. r. Manufacturing Co.; Frank Rea, Frank's Card Shop; Mike Sasyk, Arlington Golf Course; William Short, National Lead Co.; Ralph Strain, Ralph's Texaco service station; Keith Tobey, Illinois Power Co.; and Dr. George T. Wilkins Jr., pediatrician.

Nine are to be elected. The nominations were made by a committee composed of Ernest E. Vehl Jr., chairman, and Harold Karandjef, John Newlin, Avery Schermer and Harry Wolfe.

A committee composed of Albert Amling, Fred Barr and Bill Burns was named to serve as tellers for the election of directors.

New officers of the Chamber are to be chosen at the Oct. 3 board meeting.

Pamphlet on Community
It was decided to employ Windsor Publications to prepare a color pamphlet outlining detailed information on the Quad-Cities. The material will be used in recruiting personnel and industries and in acquainting others in need of data on this community.

William L. Harris, Planning and Zoning Committee chairman, reviewed progress by the Southwestern Illinois Metropolitan Area Planning Commission in revising the Granite City zoning ordinance.

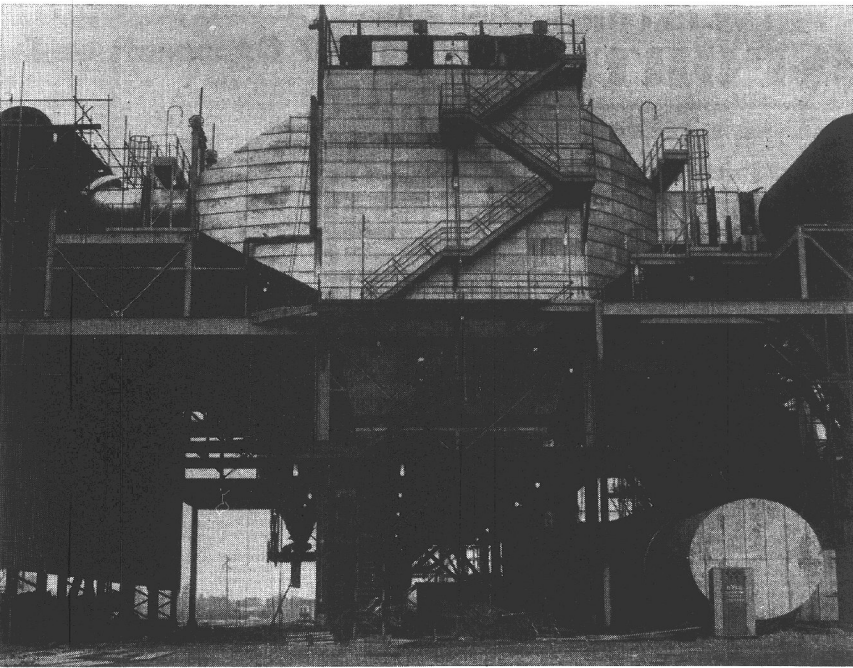

Vice-President Leo H. Konzen explained revisions in the East-West Gateway Coordinating Council and Col. Charles E. Hoskin III, Army Depot commandant and a new associate Chamber board member, spoke on Depot-community relations.

Plans were announced for the annual Chamber membership drive held yesterday. It has been shifted to the fall from the usual spring date.

Possibility of reducing the number of nominees for Chamber board posts was referred to the Executive Committee for a recommendation.

President Howard W. Kaseberg presided, and topics included the annual farm tour held in August, industrial development, the new Granite City census and the Illinois State Chamber of Commerce annual meeting Oct. 26-27 in Chicago, for which Baker will be attending chairman's duties.

It was announced that the annual Tri-Cities Chamber banquet at 6:30 p.m. Oct. 12 will be held at the Granite City high school cafeteria. Senator Everett M. Dirksen will be the speaker.

ELECTROSTATIC PRECIPITATORS for the new basic oxygen furnaces at Granite City Steel Co. are now removing about 95% of the dust that was discharged into the air in old open hearth steel-

making process. It was reported today. The BOF is as tall as a six-story building and is 168 feet long and 60 feet wide.

Veterans' Pension Readjustments to Start in October

The Veterans Pension Readjustment Assistance Act of 1967, providing significant increases in education and disability benefits for Vietnam and many other veterans, will become effective Oct. 1, as the result of President Johnson's signed approval, just announced.

While increases begin then, first compensation and pension checks reflecting the increases will not be received until Nov. 1.

For veterans in educational programs, the increased benefits will be noted in checks received between Nov. 10 and 20.

In both instances these are the first payments due for October benefits, according to John B. Naser, Manager of the Veterans Administration's Regional Office in Chicago. Naser detailed highlights of the bill which were enumerated by the President when he signed the measure.

For Vietnam Vets

Under one major provision, veterans of the Vietnam era, which began Aug. 5, 1964, will receive compensation for disabilities at full wartime rates and will qualify for non-service-connected pensions on the same basis as older veterans. Their widows and children become eligible for non-service-connected death benefits.

While this provision becomes effective Oct. 1, an allowance of \$250 for burial and funeral expenses of deceased individuals who served in the Vietnam era became effective immediately the bill was signed.

Under the law, certain of the major provisions effective Oct. 1 apply to all qualified veterans who served after Jan. 31, 1955. These include:

Educational Allowances

Educational assistance allowances for full-time courses have been increased from \$100 to \$130 a month for a single veteran, from \$125 to \$155 for a veteran with one dependent, and from \$150 to \$175 for two dependents with an additional \$10 for each dependent in excess of two. There will be proportionately smaller allowances for part-time training.

Full educational assistance allowances will be paid "educationally disadvantaged" veterans so they can complete high school without reducing their eligibility for advanced educational benefits.

Monthly allowances for on-the-

job training for the first six months will range from \$80 a month for a single veteran to \$100 a month when there are two or more dependents. The allowances are reduced for succeeding six-month periods.

Farm Training

Monthly allowances for farm cooperative training will cover institutional agricultural courses with a minimum of 12 clock hours per week in addition to related work on the farm. Allowances range from \$105 a month for the single veteran to \$145 a month when there are two dependents, plus an additional \$7 a month for each additional dependent.

Ninety per cent of the established charge for flight training is provided for veterans with a private pilot license (or the equivalent in flight training hours) who can pass the physical examination for a commercial pilot's license.

An allowance of \$1600 will be authorized for the purchase of specially equipped automobiles for certain severely disabled veterans. This is a one-time benefit.

WW II Cutoff Date

World War II veterans benefit from the new law by having the final cutoff date on eligibility for the GI Loan Program extended to July 25, 1970. This eligibility ended July 25, 1967.

Some other provisions of the law extend benefits to certain of America's veterans, from the Vietnam era to the Spanish-American War. They include veterans and dependents of deceased veterans receiving VA pensions under the current pension program will get a cost-of-living increase averaging more than 5%, with widows in the lowest income categories receiving an increase of about 8%.

Children up to the age of 26

of veterans who died or were permanently and totally disabled as the result of a service-connected disability, or who died from any cause while qualifying for permanent and total disability compensation, will become eligible for grants of \$130 a month for four years of approved college or vocational training.

Statutory Awards

Statutory awards of \$47 a month, in addition to other compensation, have been going to certain disabled veterans who have service-connected disabilities involving the loss of a hand, foot, eye, creative organ, or both buttocks, or have sustained deafness in both ears or lost the power of speech. Only one of these statutory awards could be paid under the old law; the new law authorizes payment of an additional statutory award for each of these conditions, not to exceed a total of \$400 a month.

Veterans entitled to pension, based on the need for regular "aid and attendance" will be authorized for therapeutic or rehabilitative devices, medical equipment or supplies, when medically indicated. These veterans, and those receiving aid and attendance compensation for service-connected disabilities, will also be furnished drugs and medical services. (This became effective when the President signed the law.)

The new law will have a significant impact on many of the 2.8 million living veterans, according to Naser. Veterans and dependents of deceased veterans may receive information about their eligibility, as well as assistance in applying for benefits from the VA Regional Office at 2030 West Taylor street in Chicago or from VA contact representatives at any VA hospital.

HOLY NAME MEETING
St. Mark's Holy Name Society met Tuesday evening in the church basement with Lorraine Daniels presiding. The meeting opened with prayer and a business session.

Communion Sunday will be Sept. 19 at the 9 a.m. Mass, with Daniels and Lawrence Bilbey assisting.

Users for the month will be

Douglas, former Granite City residents.

HOSPITAL CONTRIBUTION
The investigating committee of the Venice Crippled Children's Organization met Tuesday evening in the council room at the Venice city hall. The chairman, Mrs. Lorene Morris, presided and reports were made by members.

A memorial in honor of the late Dr. John E. Lee Jr., was pledged to the St. Elizabeth Hospital expansion fund by the committee.

Those present were Mrs. Valerie Bauder, Mrs. Mary Dixon, Mrs. Donna Scaturro, Mrs. Jeannette Woodrume, Mrs. Lou Anderson, Phil Smith and Ignatius Shambo.

Next scheduled session is a general meeting to be held November 8.

Point Poured on Auto
Robert Fischer, 502 Main street, reported to Venice police Wednesday that vandals had poured paint on his auto parked near his home.

Mercer at Pocahontas For Playoff Opener

The flip of the coin went against Mercer at an Inter-City Baseball League meeting Tuesday night and as a result the local squad will travel to Pocahontas for a 2:30 p.m. playoff game against the Pocahontas Braves Sunday.

The teams tied for second place in the Blue Division at the conclusion of the regular season on Labor Day.

Second-place Troy is hosting third-place East St. Louis at the same time in a Red Division playoff.

The winner of each game will play the top team in its division. East Altan in the Blue Division and Collinsville Molitor in the Red, at the season champion's

diamonds at 2:30 p.m. Sunday, Sept. 17, with the winners there to meet in the "world series" of the league, set for Sept. 24 and Oct. 1, plus an Oct. 8 game if the first two contests are split.

40 Boys Practicing Football at Prather Junior High School

Coaches Ray Fyalka and Al Sonnenberg of Prather junior high school, reported today that 40 boys have reported for football practice and are preparing for their opening game with Madison Sept. 21.

Coach Fyalka said that so far in the training they have been conditioning the boys and working on fundamentals of blocking, passing and receiving.

Prather will play a seven-game season:

Sept. 21—At Madison, 7 p.m.
Sept. 28—North (Collinsville) here at 4 p.m.
Oct. 5—Roxana here at 4 p.m.
Oct. 12—Edwardsville here at 4 p.m.
Oct. 19—At Webster (Collinsville) at 7 p.m.
Oct. 26—Columbia here at 7 p.m.
Nov. 2—North (Alton) 3:30 p.m.

State Boating Act Enforcement to Start

All the new regulations contained in the Illinois Boat and Safety Act will be strictly enforced starting Friday, Sept. 15, William T. Lodge, director of the Illinois Department of Conservation, announced today.

Two important provisions require that sailboats over 12 feet long be registered and numbered and that the operator of any water craft must have at least one U. S. Coast Guard approved lifesaving device on board for each passenger.

Boaters who are not acquainted with the new regulations can learn about them from local marine dealers or county conservation officers.

State to Lower Levels At 2 Lakes in Area

The levels of two state lakes will be lowered this fall, the Illinois Department of Conservation announced today.

The Washington county State Lake near Nashville will be lowered from 12 to 15 feet below the spillway level. Sam Dale Lake in Wayne county, west of Johnsonville, will be lowered about nine feet. The valves on both lakes will be opened Wednesday, Sept. 13, and the lake levels will remain low through fall and early winter.

The lakes are beset by the most common problem of impoundments in Illinois, an overabundance of small panfish and other undesirable fish. Dropping the water levels forces the small fish out of the protective vegetation along the shorelines into the deeper water where the bigger fish can feed upon them.

The drawdown is an effective management tool frequently used to reduce a stunted fish population and the benefits to sport fishermen far exceed the inconveniences associated with such an operation.

Owners of private boats on the Washington county State Lake and Sam Dale Lake must make their own arrangements to remove the boats to prevent them from being stranded as the water goes down.

Flag Football Meeting

A meeting of managers of the age 13 league in the flag football program at Wilson Park has been called for 7:30 tonight to discuss recent developments in rule changes. All managers are being asked to attend this special session.

PRESS-RECORD SPORTS

Page 6 Thurs., Sept. 7, 1967 Granite City PRESS-RECORD

Short Venice Baseball Season Opens Sept. 12

After finishing third in Madison-Clinton-Macoupin Counties Conference baseball last year, with a 6-3 record, Venice high school and its coach William Ohlendorf, are not particularly optimistic about this fall's baseball season.

"We are in bad need of players this season. Six out of nine of the starting players of last season graduated, and we need capable boys to take their place. So far, we have had a light turnout but are hoping that more become interested and play," Ohlendorf reports.

Several islands in the Mississippi River total about 4800 acres and comprise the Gardner Division of the Mark Twain National Wildlife Refuge located about 10 miles north of Quincy. The deer herd has increased to the point day, Oct. 14, to Sunday, Oct. 22, where control is necessary in inclusive. This is the second low spot of recent floods that forced season for the Gardner Division. Sixty-nine deer were bagged by archers in 1964, including a doe and a fawn.

A total of 1000 special permits will be issued beginning on Thursday, Sept. 14. Hunters must apply to the Mark Twain National Wildlife Refuge, P.O. Box 225, Quincy, Ill. 62301. The hunter's name, address, and the number of his 1967 Illinois state bow hunting permit must be included in the application. Applications received before Sept. 14 and those that do not have the required information will be returned without consideration.

State bow hunting laws will be enforced. In addition, the following special regulations will apply: Hunting hours will be from one-half hour before sunrise until 4 p.m. Deer must be checked through a station located on the east side of Long Island. Boats will not be permitted in the interior waters of Long Island. Campers, permanent blinds and football field.

Special Deer Season For Area Bow Hunters

James F. Gillett, refuge manager, announced a special deer season for archers from Saturday, Oct. 14, to Sunday, Oct. 22, where control is necessary in inclusive. This is the second low spot of recent floods that forced season for the Gardner Division. Sixty-nine deer were bagged by archers in 1964, including a doe and a fawn.

A total of 1000 special permits will be issued beginning on Thursday, Sept. 14. Hunters must apply to the Mark Twain National Wildlife Refuge, P.O. Box 225, Quincy, Ill. 62301. The hunter's name, address, and the number of his 1967 Illinois state bow hunting permit must be included in the application. Applications received before Sept. 14 and those that do not have the required information will be returned without consideration.

State bow hunting laws will be enforced. In addition, the following special regulations will apply: Hunting hours will be from one-half hour before sunrise until 4 p.m. Deer must be checked through a station located on the east side of Long Island. Boats will not be permitted in the interior waters of Long Island. Campers, permanent blinds and football field.

Model Rocketry Society To Meet Here Tonight

The Model Rocketry Society of Granite City will hold a weekly meeting at 8:30 tonight at the Prather junior high school cafeteria.

A demonstration of materials, such as recovery devices and nose cones, will be held in the cafeteria, with a flight demonstration following on the Prather campus, permanent blinds and football field.

Platooning Planned to Aid Trojans in Meeting 1967 Opponents on Even Terms

Platooning—still controversial in baseball but now fully accepted at all levels of football competition—will be attempted on a full scale this year by the Madison Trojans than in past seasons.

Madison high school's enrollment usually has limited the number of football team candidates, and more often than not a bulky or fleet athlete has been asked to provide double duty, playing on both offense and defense.

However, with other schools more and more utilizing specialists and resting the offensive and defensive units alternately, possession of the ball changes hands, it is increasingly difficult for a non-platooning grid team to compete on even terms. Especially in the second half, a fresher team has a better chance against a tired one.

Pleased With Turnout

With a slightly larger turnout of players than anticipated, new Trojan Coach Harlan Scheibel is forming two full units and predicts "a great deal of platooning this year."

Instead of depending on boys to play the entire game, "We are going to try to have a good offensive unit and a good defensive unit," Coach Scheibel said. "We will avoid the job of one individual on both squads. This way, the boys will have more confidence in each other and be in the later stages of a game," he comments.

"There is talent on our team," Coach Scheibel said. "We will depend on how much the Trojans really want to play football. With sufficient talent available, no job will be made the best use of it."

Explaining the "pro offense" that will be the main emphasis, Coach Scheibel said it will include a split end and a flanker.

Deceptive Pass Patterns

From the pro offense, it is easy to emphasize passing, but it is more difficult for defensive players to detect the type of pass pattern that will be run. However, enough running will need to be done to keep opposing teams from concentrating on pass defense alone.

The Trojans will pass often this fall because of a general lack of weight and experience, elements needed to sustain a ground offensive.

Also, they are blessed with speedy and talented receivers who have shown rapid progress in learning to maneuver effectively to leave themselves relatively unguarded by pass defenders.

"We also have been pleasantly surprised by the progress of the line, particularly in providing the extra time so important to a passer in finding an open target."

Armour's Hand Injured

With the second week of practice nearing an end, severe injuries have been limited to one. A letterman, Bert Armour, a 215-pound tackle who is six feet tall and small hand bone but is expected to be ready for the first game of the season Sept. 15 at O'Fallon.

Armour has been keeping in shape by running sprints and practicing his stance. He also works with the team against tackling dummies and the block line.

Other returning lettermen include Jim Scott, 180-pound quarterback; Terry Stawar, 172-pound guard; Dennis Holt, 175-pound tackle who is six feet tall and Titus Ship, 180-pound fullback who is six feet, one inch tall.

Others figuring prominently in practice drills have included John Harper, 175 pounds, tackle; Louis Crook, 175, guard; Earl Malone, 165, end; Marion Griggs, 150, end; Dan Williams, 160, fullback; Willie Ackers, 145, fullback; Harold James, 175, fullback; and Ron Britt, 185, quarterback.

Sophomore Impressive

John Irvin, 139, and 145 pounds, is impressing the coaching staff with his efforts to earning a starting position as a defensive back. "John likes to hit hard and for a sophomore, he has a lot of drive," Scheibel reports.

Also earning attention is Bill Campbell, a center. He is six feet tall and weighs 210 pounds. Joe Collins, 6'2" and 190 pounds, is another varsity prospect.

As a group, the Trojans have never lost a game as heavily as originally seemed likely.

Night Scrimmage

The team will get its first taste of scrimmage Saturday, the varsity dividing up into two comparatively equal squads and tangle at 7:30 p.m. on the MHS gridiron.

With various Trojans trying for starting berths, the competition may be almost as intense Saturday as when regular competition begins six nights later.

O'Fallon shapes up as a formidable foe for Madison. "That first game is always the rough one, because it is where you try out the new ideas worked on in practice," Scheibel says.

"Plays can look masterful on the blackboard, but when it comes to making them work, that's up to the boys on the field."

opposing schools' enrollment during 22 years in the Southwestern Conference, Madison managed only two winning seasons during that time, under Earl Berninger in 1935 and Ray Lemanski in 1937.

Even in the days when Madison did not belong to a conference, the teams that it played were mostly Northwestern Conference schools, since they were the high schools located closest to Madison.

The Trojans won 13 games in the Southwestern Conference and tied one, losing the other 109. Never giving up or letting down, they did not leave the conference until 1947.

East St. Louis and Alton have never lost a game to Madison although giving the Trojans 17 chances. The Trojans were shut out 61 times, including 37 shutouts in the first 12 seasons. There was a string of 16 consecutive shutouts in 1938-39 before the Trojans crossed the goal line of Granite City in the final game of 1939.

Past Highlights Recalled

But there were bright spots in the early lean years, such as when Charles Skinner sped for touchdowns runs of 89 and 45 yards as Madison beat GCHS 20-14 in 1933.

The Trojans have won at least once in all but seven of their 38 grid seasons.

Coaches following Paul Reha, the 1920 mentor, were George Thomas, 1930; Joe Seamon, 1931-34; Berninger, 1935-38; Lemanski, 1939-41; Russell Shaver, 1942-44; Madison, 1945; Fred Riddle, 1946-50; Dant, 1951-59; and Glen Pickering, 1960-66.

Hard times are over, permanently. Trojan fans are convinced. In the last 16 years, Madison has won 44 games, dropped 59 and tied nine.

Three Championships

Since the Trojans began football competition in 1923, they have won the Midwestern Conference championship three times.

Francis Dant coached the team when it won an 8-1 season and its first Midwestern title in 1933. Now MHS principal, he at one time was a Trojan linebacker and quarterback on the Madison schedule.

4 From Here in Cycle Marathon

Miss Kim Kidman, Gean W. Harris, Miss Sharon Jackovich and Joseph Jackovich will be among 51 entrants in the thirteenth annual and fourth national championship 24-hour motorcycle marathon starting at 3:30 p.m. Saturday, Sept. 16, at Riverdale Speedway on Telegraph Road (Highway 241) South St. Louis.

Cyclists from Alabama, Minnesota, Indiana, California, Michigan, New York, Pennsylvania, Iowa, Missouri and Kentucky will join the local four at the meet.

Sponsored by the St. Louis Cyclists, the all-day motorcycle marathon is a grueling test of endurance which runs for 24 consecutive hours regardless of weather conditions.

The 1966 champ, Dave Munagan of House Springs, Mo., will be on hand to defend his title.

The 1965 champ, Jim White of Terre Haute, Ind., also will compete.

Lois Schroeder, Cyclists president, reports that 18 trophies will be awarded in various classifications.

Drivers are allowed only a five-minute rest period every two hours, and no repairs to the cycles are allowed.

Other returning lettermen include Jim Scott, 180-pound quarterback; Terry Stawar, 172-pound guard; Dennis Holt, 175-pound tackle who is six feet tall and Titus Ship, 180-pound fullback who is six feet, one inch tall.

Others figuring prominently in practice drills have included John Harper, 175 pounds, tackle; Louis Crook, 175, guard; Earl Malone, 165, end; Marion Griggs, 150, end; Dan Williams, 160, fullback; Willie Ackers, 145, fullback; Harold James, 175, fullback; and Ron Britt, 185, quarterback.

Why are Illinois Power Company electric rates lower?

- Lower than last year!
- Lower than 1962!
- Lower than many other electric utilities!

The answer is efficient operation of a combination electric-gas company—steadily increasing efficiency in generation and transmission of electric energy.

The answer is investment, heavy investment, in new facilities, such as the 2,000,000 kilowatt generating station Illinois Power is building at Baldwin.

The answer is an Illinois climate of close and fair state regulation—continuing surveillance of our rates by the Illinois Commerce Commission and by our own rate department.

The answer is a combination of these factors and many others: our people who want to serve you better... customers who appreciate the benefits and comforts electricity provides, and who use more and more of it... the realization that as a public utility we have a dual responsibility to our customers and to our investors.

In short the answer is free enterprise at work under proper state regulation, with operational know-how that only experience can give.

IP IT'S OUR BUSINESS TO SERVE YOU BETTER
ILLINOIS POWER COMPANY

Boosters Club Holds First Meeting

The first meeting of the Granite City Boosters Club was held Tuesday night at the Junior Chamber of Commerce building.

The club plans to meet there the first and third Tuesday of each month at 8 p.m.

Approximately 55 persons attended the meeting, including head coach Jim Morrison and other coaches of the Granite City Senior high football team who discussed their squads prospects for the coming season.

Sp4 Richard E. Cobb Is Home From Vietnam

Sp4 Richard E. Cobb, a son of Mr. and Mrs. William Cobb, 1604 Sycamore avenue, has arrived home on a 30-day leave after completing a 12-month tour of duty in Vietnam.

He was a launcher crewman on the Hawk Missile in Cam Rahn Bay, and now has been assigned to duty at Homestead, Fla. A graduate of the Granite City high school in 1964, he attended Southern Illinois University-Southwestern campus before enlisting in 1966.

Press-Record

THE BEST REPORT ON LOCAL SPORTS

Warrior Gridders Concentrating On Eliminating Mistakes in Plays

With better than two weeks of practice under their belts, the Granite City high school Fighting Warriors are beginning to take shape. Their first game, a tough one at Cahokia, is only eight days away.

Coach Jim Morrison believes that the hardest opponent that the Warriors will face all year will be Granite City. That's right — Granite City. "If we can beat Granite City, we can beat anyone," Morrison asserts.

What does he mean? The coach believes that a team which can learn to play ball without making mistakes is the club likely to win any title regardless of the odds.

"If we can get all of our men at the right spots at the right time and avoid mistakes, then no one can beat us." In other words, if GCHS can become master of itself through discipline, study of plays, practice and physical conditioning, conquering other teams will be comparatively easy.

"90% Beat Themselves"

"Ninety per cent of the high school football teams that lose many games beat themselves by their own mistakes, particularly in the backfield," Morrison is convinced.

While naming Granite City itself as the biggest challenge, the coach does not discount the opposing teams that will be met.

The first game with Cahokia is the most important to the boys, who recall that the Comanches beat us 19-0 last year, also in the opening contest."

Set Pattern for Year

Also much in his thoughts is that the initial game will build or damage confidence for the remainder of the season, depending on its outcome. It can serve as an inspiration, or a depressing indication of what may lie ahead.

Although designating Cahokia as the major immediate obstacle

to a successful season, Morrison regards the entire schedule as a tough one. In addition to six powerful Southwestern Conference foes, GCHS will meet Cahokia, Belleville East and Quincy.

However, he has seen many developments on the practice field that bolster his morale.

Several Seeding Each Position

"We have several candidates for each position on the field this year, and it is going to be a difficult task to decide on a starting lineup next week.

One of the most interesting battles for a position is going on between 5'9", 160-pound David Seston and 5'10", 155-pound Roger Beltshe for the key quarterback spot. Both are doing well in our practices, and I don't know yet who will start for us at quarterback."

Competition for end positions involves "three seniors, Steve

Stell, Jim McCart and Bob James, and four juniors, Ralph Burnett, Roger Laws, Gene Livingston and Jerry Cooke.

Huebner, Dechwal Hurt

Center Dennis Huebner has a knee injury and may miss the first game. Replacing him will be Gary Kunemann, a 192-pound, 5'11" junior.

Also suffering a knee injury, Mike Dechwal, an offensive guard, is another on the doubtful list for the Cahokia game. Tim Wallace, 6' and 189 pounds, will move up to the varsity to replace him.

The Warriors will use the same split-4 offensive formation they have utilized in recent years.

There is a split end on the line, flanker by a wingback. The quarterback, fullback and I-back line up behind one another in the pattern that gives the formation its name.

3 GC Gridders On Peru Squad To Open Season

Ron Yates, Chuck Mizerski and Nick Petrillo, all of Granite City, were among 83 candidates reporting for football practice at Peru State College, Peru, Neb., this fall.

Yates, a returning letterman end for the Bobcats, weighed in at 235 pounds this year.

Yates will be joined in the backfield by Petrillo, a Bobcat halfback weighing in at 160 pounds.

Finishing out the Granite City threesome, Mizerski plays tackle for the Peru team and weighed in at 210 pounds.

All three boys are graduates of Granite City high school.

The Peru team will be coming back with a 2-7 record from last year under the watchful eye of head coach Ervin Pitts.

Coch Pitts says that the present challenge is to groom the team into shape for the opening game Saturday against Tarkio College at the Peru field at 7:30 p.m.

A look at the returning roster indicates that there are 27 lettermen, 12 squadmen from previous years, five transfers and 39 freshmen participating in the pre-season gridders drills.

Facts and figures show that the Bobcats have more depth this season.

Peru last only nine lettermen from last season, including two Granite City boys, Jim Rains

Granite City PRESS-RECORD Thurs., Sept. 7, 1967 Page 7

'Brain Drain' in State Cited by Dean at SIU

The state of Illinois is undergoing a scientific "brain drain" and is not receiving its share of federal research and development funds, according to Dr. E. W. Hough of Southern Illinois University, Carbondale.

Hough, assistant dean for research and graduate studies at the SIU school of technology, added, "Illinois lacks sufficient industrial research capability to attract and keep the personnel we train in our educational institutions."

The state of Illinois ranks fourth in population, third in personal income, and fourth in the amount of federal taxes paid on a nationwide basis. But, Hough said, Illinois ranks 42nd in federal research and development funds, on a federal tax dollar basis.

According to Hough, the government contributes \$14 billion a year to nationwide research and development. Of this, \$9 billion goes to industry. Educational institutions receive \$1.7 billion and \$3 billion is allotted for research by the federal government.

"Illinois receives 7.7% of the funds for educational institutions, but it gets only 0.26% of the allotment for industry, and only 0.47% of the federal research funds," Hough said. The figures are from a report by the National Science Foundation for the fiscal year 1965.

"Two-thirds of Illinois' research and development funds go to universities," he added, "whereas, on the national level, three-fourths of the funds go to industry. This indicates that Illinois lacks industrial research and development capability, and that we are training personnel who will go to other states to work."

Schmidt said one of the reasons that no formal reports were released on the East Madison shooting was that it was feared the wounded man might not survive.

Although acknowledging that other deputies had handled the investigation and been questioned by newsmen, Schmidt said it had been the intention of the staff to say no more than the identity and condition of the wounded man.

With the prospect that the case might have needed to be presented to a grand jury, numerous reports and statements were obtained, he added.

Members of the Lynn family discussed the incident briefly with the Press-Record this week but declined to provide information.

9 Crashes In 2 Days Injure 5 Persons

2 Men on Motorcycle Hurt in Collision with Auto on McCarbridge

Injuries were suffered by five persons, including two men on a motorcycle, in four of nine traffic accidents occurring in the past 48 hours in the Quad-Cities.

The two men riding on a motorcycle were hurt about 7:45 a.m. Wednesday in an accident involving an auto at Fifth street and McCarbridge avenue in Madison.

The motorist, Thomas C. Lott, 80, of Brooklyn, who was making a left turn off Fifth street to go north on McCarbridge avenue, was charged with failure to yield right-of-way at a stop intersection. He was not hurt.

Police said the motorcycle was being operated south by Harold T. Wilkinson, 30, of 2907 Meadowlark drive, and his passenger was Philip Mackin, 27, of 1308 Eighteenth street. They were taken to St. Elizabeth Hospital by ambulance.

Wilkinson told police the auto made the turn in front of him, and he did not have time to stop. He was treated for abrasions and contusions to his left leg, ankle and foot and head bruises. Mackin complained of pains to his left leg and ankle and received treatment for abrasions to his right ankle. Both were released.

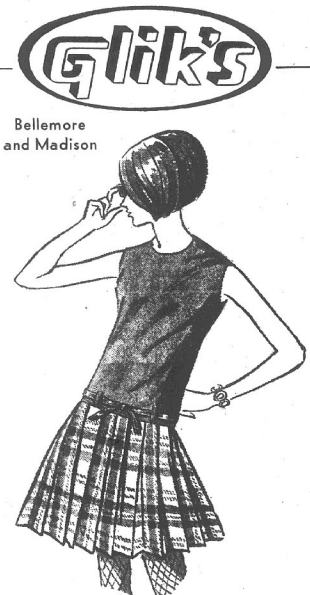

Girl, 3, Hurt

Tammy L. Cox, three of 4305 Kirkpatrick Homes, suffered minor injuries when she slid under the front wheel of the auto of Russell D. Godwin, 1613 Mitchell avenue, at 5:30 p.m. Tuesday in the 2800 block of Edwardsville road.

Godwin said he had stepped in traffic as children were playing partially in the street and the girl started to cross the street.

Albert Stauffer, 26, of Jacksonville, was injured when his auto

struck a parked 1967 auto at 4:45 a.m. Wednesday at West 20th street and Missouri avenue. He said he apparently had fallen Duke, 2265 Wilson avenue, was asleep. Owner of the other car thrown over the handlebars and landed on the pavement on his face and shoulder. He was taken to St. Elizabeth Hospital where Elizabeth Hospital with chest pains and cuts to his forehead and chin and left shoulder.

54 Teams End 1967 Softball Campaign; Plan New Diamond

The 1967 softball season came to a close in the Granite City park district Monday evening with the completion of the tenth Chevrolet, Classic League fast annual Labor Day slow pitch softball tournament held at Wilson Park.

This year, there were 354 teams regularly scheduled in the Granite City park district softball program for 54 teams. This 11-8, Bethel Community, Church meant there was an average of A League Blue Division, 10-3; Grace Land Church A League Red Division, 8-2; Namooki Methodist, Church B League, 8-4; Bur- the more highly skilled fast pitch per Chef, Women's League, 9-1; Classic League players, but also slow pitch play for the remain- ing 10 leagues.

The slow pitch leagues included competition for churches and a variety of organizations, not only for men and boys but for women and high school age girls.

The fast pitch league had only four teams and Mathews Chev- rolet was the winner for the third straight year.

The difference between slow pitch and fast pitch is that the slow pitch must travel with an arc of ten feet and across the batters' shoulders and knees.

The fast-pitch is thrown so that it is rising from the pitcher's hand to cross the same strike zone. The speed can be varied

similar to that of a baseball. The eleven winners of the year's leagues were: Mathews Chevrolet, Classic League, fast annual Labor Day slow pitch softball tournament held at Wilson Park.

Besides the league games, there were 54 tournament games at the park, and two local teams went to the state slow pitch tournament at Urbana this year.

The softball players have something extra to look forward to next season. There will be a new lighted field at the Milton Worthen Park, and with the new diamond it is hoped to cut down on the number of games played nightly at any one site.

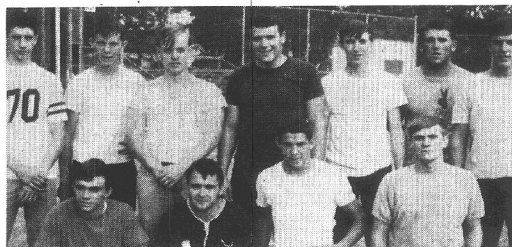

The new field is due to be lighted by October of the current year, and the fences will be in place before next year's softball gets under way.

Not shown are Bill Cox, Tony Jackson, Bill Puhse, Jim Corbitt and Jack Haug.

Hunting Seasons, Laws, Limits Cited by Officer

A complete resume of hunting seasons and limits have been compiled by Don Hastings, Madison county conservation officer, who suggested that hunters have the list. The schedule follows:

Squirrels—Aug. 1 through Nov. 5 in the southern zone downstate from Route 36 which crosses the state at Springfield and Jacksonville. The limit is five per day, 10 in possession. Squirrels may be hunted with rifle, shotgun or bow and arrow.

Doves—Sept. 1 through Nov. 9. Season opens at 1 p.m. and doves may be hunted any day until sunset. Doves can be hunted only with shotgun. The limit is 12 per day. A federal stamp is not required.

Bow and arrow deer season—Oct. 1 through Dec. 31, except closed for shotgun season Nov. 8 through Nov. 18.

Shogun deer season—Nov. 10 through 15. Laws require use of shogun slug of 20 gauge or larger or a mule loader of 38 caliber or larger. A valid deer permit for a specific county and a vivid yellow or red hat and coat or vest are required. A regular cartridge loading rifle may not be used.

Duck season—Oct. 28 through Dec. 6. Limit is four ducks per day, and the four cannot be composed of more than two mallards, one wood and one canvasback ducks.

Goose season—Oct. 16 through Dec. 16. The season in Alexander, Williamson, Union and Jackson counties is Nov. 13 until Dec. 24 unless the quota of 20,000 is reached before Dec. 24. Limit is five, including not more than two Canadas.

Trapping season—Noon Nov. 25 through Jan. 5 in the southern zone.

Raccoon season—Noon Nov. 16 to noon, Jan. 31. No limit on fur-bearing animals either hunting or trapping. Coon hounds may be trained from now until noon Nov. 16 if a firearm is not carried.

Both red and gray foxes now are protected with closed season in Madison, Bond, St. Clair and Clinton counties, and neither may be hunted or trapped. Fox hounds may be run and trained if a firearm is not carried.

Special teal duck season—Sept. 16 through 24. The limit is four blue or green wing teal. A special permit is needed in addition to a federal duck stamp and license.

Laws Cited
Hastings cited the following laws: Every person regardless of age who has any protected animal anywhere in Illinois must have a valid hunting license unless he is hunting on land upon which he resides. All animals and birds commonly seen are protected except the sparrow, starting and snakes. Pigeons are considered private birds, not wild birds. Any gun carried in a vehicle must be in a case or holster and be unloaded. No hunting can be

Hastings advised permission to legal to shoot from, over or on hunt or fish on any land even if any public road or right-of-way, there are no signs. The legal burden is upon the hunter to seek to a hunting license is permission. A person may be arrested only when hunting ducks rested for hunting without permission regardless if the land is posted or not.

SOCIETY

MISS PENNY CASON, fiancée of a 3/C David M. Wachter, a son of Mr. and Mrs. Reinder Wachter, 2544 Edison avenue. The betrothal of the pair is announced by the bride-elect's parents, Mr. and Mrs. William Cason, 2530 Ivy lane.

Wachter-Cason Engagement

Mr. and Mrs. William Cason, 2530 Ivy lane, are announcing the engagement of their daughter, Miss Penny Cason, to a 3/C David M. Wachter, a son of Mr. and Mrs. Reinder Wachter, 2544 Edison avenue.

The bride-to-be was graduated this year from Granite City high school and is presently employed by the U. S. Army Materiel Command in St. Louis.

Her fiancé was graduated from the local high school in 1965 and before enlisting in the U. S. Air Force attended Southern Illinois University-Southwestern campus. He is stationed at Hancock AFB in Syracuse, N. Y.

A spring wedding is planned by the couple.

Mrs. Theis is Club Hostess

The Garden Study Club, at its first fall meeting, was entertained Wednesday afternoon in the home of Mrs. August Theis on Old Alton road.

The hostess was assisted by her daughter, Mrs. Charles Lexow Jr., and Mrs. John Lehman, president, conducted the meeting assisted by Mrs. W. G. Cooley.

A lengthy discussion was held on the need for better understanding between garden clubs of Illinois and the state highway department on the neglect of flowers and shrubs planted by the clubs along the highways.

Mrs. Toby Anderson presented the program for the afternoon on "wild flowers," and the members responded to roll call with descriptions of fall flowers in their gardens.

Others attending were Mrs.

Season Opens For Hope Circle

Hope Circle of Niederrhau Memorial Methodist Church held the opening meeting of the fall season Wednesday at the church.

Mrs. Winifred Reimers, chairman, was in charge and the morning was spent quilting. Devotions were given by Mrs. Earline Miller, and Mrs. Pearl Campbell presented the lesson.

Others attending were Mrs. Clara Dawdy, Mrs. Eva Evans, Mrs. Augusta Pender, Mrs. Ida Cox, Mrs. Mildred Cundiff, Mrs. Ida Davidson, Mrs. Elizabeth Jones, Mrs. Minnie Compton, Mrs. Van Best and Mrs. Leonie Tate.

A spring wedding is planned by the couple.

Dorcas Class Meets at Church

The Dorcas Class of First Baptist Church met Tuesday evening at the church with 12 members attending.

The meeting was called to order by Mrs. Christine Goodman, president, after the opening prayer by Mrs. Dena Kampachner, devotions were given by Mrs. Iva Olive. The topic was "Can Truth Make Us Free?"

The project for the month will be a contribution to the State Mission Fund. The meeting closed with the Lord's Prayer.

Abner Branding, Mrs. Harold Carson, Mrs. C. E. Eads, Mrs. Rolla Grewell, Mrs. H. E. Lynch, Mrs. Bonard Maples, Mrs. Arthur Roman, Mrs. Dan Seymour, Mrs. Eugene Short, Mrs. George Stearns and a new member, Mrs. Marcella Jung.

The next meeting will be held in the Roman home.

Others attending were Mrs.

Gideon Groups Hear Reports

The Gideons and Auxiliary met Monday evening in the home of Mr. and Mrs. Edward Stone, 3423 Lydia lane.

Devotions were led by Charles Staveland and the business sessions were presided over by Hugh Foster and Mrs. Charles Reimers, who head the two groups.

The Auxiliary reported on presentation of nurses Testaments during the past month to the East St. Louis School of Practical Nursing; the Olin Vocational School, Alton, and the Madison County Sanatorium in Edwardsville.

The Gideons will conduct a dedication service Sunday at 3:30 p.m. at the Eunice C. Smith Home at Alton Memorial Hospital when Testaments and Bibles will be presented.

Present at Monday's meeting were Mr. and Mrs. James Hasty, Mr. and Mrs. Hugh Foster, Mr. and Mrs. Charles Reimers, George Schumacher, Charles Staveland, and Warren Reed, the latter of Roxana.

Rollettes Club Holds Meeting

The Rollettes Club held a meeting Tuesday night in the home of Mrs. Mary Wofford, 2245 Dewey avenue.

Plans for the year were made and the remainder of the time was spent at games, the prizes going to Mrs. Marilyn Aldridge, Mrs. Carol Partney, who was a guest, and Mrs. Keatla Radefeld.

A new member, Mrs. Bonnie Vaughn, was welcomed by the group and a dessert course was served.

Others present were Mrs. Edith Wofford, Mrs. Helen Randolph, Mrs. Connie Tinsley, Mrs. Betty Brooks, Mrs. Jeannette Bettson, Mrs. Nellie Nicol and Mrs. Phyllis Mosby.

A spring wedding is planned by the couple.

Back to School Meeting Theme

The September meeting of the Elbertes was held Tuesday evening in the club rathskellar with Mrs. Margaret Roberts, president, in charge.

Thirty-five were present and a "back to school" theme was used by the hostess committee composed of Mrs. Olive Kallet, Mrs. Thelma Ruppel and Mrs. Mildred Jungels.

Plans were made for the coming season, and among the first events announced was a fur style show to be held Nov. 5.

After the business hour, cards provided entertainment and prizes were awarded. Refreshments were served by the hostesses.

DeMolay Mothers Plan Events

The DeMolay Mothers Club met Tuesday evening at the Masonic Temple.

Mrs. Evelyn Ringering, president, was in charge and plans were made for a number of coming events, including the annual family pot luck dinner Oct. 3 at 6 o'clock at the Temple.

Others present at Tuesday's meeting were Mrs. Marie Naeve, Mrs. Evelyn Waffler, Mrs. Hilda Fern, Mrs. Melba Tarpoff, Mrs. Verna Stuart and Mrs. Betty Ebrecht.

After the meeting refreshments were served by the club members to about 40 DeMolays.

BETROTHED. Miss Ruth Ann Costello, whose parents, Mr. and Mrs. James T. Costello, 1600 Clark avenue, are announcing her engagement to Robert P. Cruse, a son of Mr. and Mrs. Wilbur Cruse, 1634 Spring avenue.

Spring Wedding Is Planned

Mr. and Mrs. James T. Costello, 1600 Clark avenue, are announcing the engagement of their daughter, Miss Ruth Ann Costello, to Robert P. Cruse, whose parents are Mr. and Mrs. Wilbur Cruse, 1634 Spring avenue.

The bride was graduated from the local high school, attended Granite City high school and attended to University of Missouri during her freshman year. She is now employed as a receptionist in the offices of Dr. Robert J. Bernhardt DDS while attending evening classes at Southern Illinois University - Southwestern campus.

A spring wedding is planned by the couple.

RETURN TO FLORIDA

Mr. and Mrs. Jerry Hamlett of Largo, Fla., with their children, Tracy and Scott, left Wednesday by plane for their home after spending the past two weeks with his parents, Mr. and Mrs. Jack Hamlett, 2215 Missouri avenue.

The bride was graduated from the local high school, attended Granite City high school and attended to University of Missouri during her freshman year. She is now employed as a receptionist in the offices of Dr. Robert J. Bernhardt DDS while attending evening classes at Southern Illinois University - Southwestern campus.

A spring wedding is planned by the couple.

Meat Purchasing Trio Unit Topic

Mrs. Ruth Brave, chairman of the Trio unit, Madison County Homemakers Extension Association, opened a monthly meeting Tuesday afternoon at Hope Lutheran Church on Wabash avenue. A noon luncheon preceded the meeting, served by Mrs. Katherine Roman and Mrs. Edna Buehler to 23 members and one guest, Miss Diane Kinney.

The major lesson, entitled "Buying Meats," was presented by Mrs. Marshall McElroy and Mrs. M. J. Hill. Mrs. Ivan Graklanoff introduced the selected subject on "Exercise and Posture."

Mrs. Mabel Gertsch, 4-H chairman, introduced Miss Kinney, who gave a report on her trip to a State 4-H Week gathering held at the University of Illinois in August.

Mrs. Shirley Schillinger announced plans for a district meeting to be held Nov. 2 at Hope Lutheran Church.

Other announcements included a craft day to be held in Edwardsville this month; two members are to attend. A sewing instruction class will be held in Edwardsville in October, and Mrs. Florence Rapp will attend a class on furniture refinishing to be given in Edwardsville starting Sept. 19.

Mrs. Brave announced the major lesson for next month will be entitled "Protein Conscious" and the selected subject will be "Home Fire Safety."

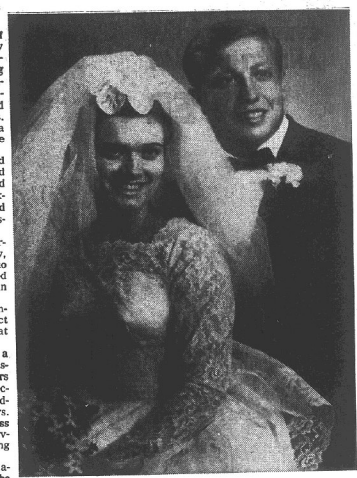

Members attending were Mesdames Vivian Forshee, Sara Huber, Naomi Kinney, Hilda Klug, Virginia Little, Dorothy Neumann, Florence Rapp, Villa Mat Ridings, Clara Schillinger, Jerry Short, Lela Seeburg, Marion Lybarger, Faye Briggs and those named.

The next meeting will be Oct. 3 at Hope Lutheran Church.

PAST NOBLE GRAND CLUB PLANS MEETING

The Past Noble Grand Club of Juanita Rebekah Lodge will hold a monthly meeting at the home of Mrs. Leo Bender, Rural Route Two, Old Alton road, at 2 p.m., Sunday.

The members plan to serve a potluck and entertain their husbands.

MR. AND MRS. DANNY WILSON, whose wedding has just been announced. The bride is the former Sherry Duncan, a daughter of Mr. and Mrs. Jerry Duncan, 3246 Franklin avenue. The ceremony took place at Emmanuel Baptist Church. The bridegroom's parents are Mr. and Mrs. Leonard Wilson, 2536 28th street.

Sorority Meets at Overbeck Home

Mrs. Ruby Overbeck and Mrs. Marguerite Lexow entertained Eta Alumnae Chapter of the Phi Tau Omega sorority at a meeting Wednesday for their homes after a week's visit with their mother, Mrs. Bertha Berry of The Anchorage, and sisters, Mrs. John E. Robertson, 1628 Spring avenue, and Mrs. Dorothy Hayes of Collinsville.

A "back to school" theme was used and the table held a cake in the form of a school house. Red apple pencil sharpeners and Mrs. Dorothy Hayes of Collinsville.

Prizes in the games were also in keeping with the general theme of the party.

ENTERTAINS FAMILY

Mr. and Mrs. Harold L. Berry of Thousand Oaks, Calif., Mr. and Mrs. John H. Berry and their family of Battle Creek, Mich., and Mr. and Mrs. Dennis Frank, also of Battle Creek, left Wednesday for their homes after a week's visit with their mother, Mrs. Bertha Berry of The Anchorage, and sisters, Mrs. John E. Robertson, 1628 Spring avenue, and Mrs. Dorothy Hayes of Collinsville.

Wolfe Low Bidder for E. Alton Water Plant

The M. H. Wolfe Construction Co. of Granite City submitted the low bid of \$643,780 for construction of a water treatment plant at East Alton.

The bid was \$54,722 lower than the next lowest submitted by the Cannon Construction Co. of Wood River for the filtration and softening plant. Bids ranged up to \$740,750.

R&R Construction Co. of Alton submitted the low bid of \$149,188 for construction of a distribution system from new wells in the village to the treatment plant. Low bidder for construction of a 500,000-gallon water storage tank was General American Transportation Co. of Chicago with a \$38,072 figure.

The new system will provide

Tryouts Will Start Sunday For 'Carnival' Presentation

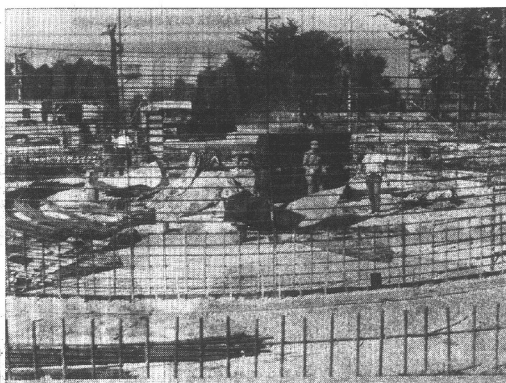

Mrs. William F. Hoelscher, 3322 Princeton drive, has been named as director-choreographer of "Carnival," the next musical production of The Maquers, an area community theatre group in which about 25 Quad-Cityans participate.

Tryouts for the Dec. 1 and 2 production will begin at 3 p.m. Sunday in the Masquer Hall, 209 East Main street, Collinsville, and again at 7:30 p.m. next Monday, Sept. 11.

All principal singing and speaking roles are open, and those auditioning are asked to use a number from the production if possible. Accompanists will be provided. Also needed are persons interested in costumes, make-up and backstage work.

Assisting Mrs. Hoelscher as dance director will be Miss Diane Nocheff of Granite City. Other Quad-Cityans in charge of committees are publicity, Earl Parsons; costumes, Mrs. Lila Mills and Rogers Davis and house chairman, Jim Swank.

Musical direction for chorus and orchestra will be handled by Jack Butterfield, local musician.

MILLION GALLON WATER RESERVOIR under construction at Alton State Hospital at the cost of \$175,000 is scheduled for completion on Feb. 16. It will provide for emergency conditions.

New Water Tank being Erected at Alton State

A new million gallon water reservoir under construction at Alton State Hospital at a cost of \$175,000 is scheduled for completion Feb. 16.

James Hillery, chief engineer at the hospital, said "with the new water storage reservoir, the hospital will have more emergency protection, in the event of a break in the city water main or a fire on the grounds."

"The present high-rising water tower, built in 1947, stores 250,000 gallons," he said. "Should an emergency arise, placing reliance on the small water tower, rationing of water would have to go into effect immediately."

"The hospital uses about nine million gallons of city water a month," and the tower storage alone would not meet the demand. However, together with the new reservoir, the hospital will be able to operate efficiently for a week under emergency conditions.

Construction of the new reservoir consists of poured concrete extending five feet into the ground and rising 23 feet above ground level. More than 110 tons of reinforcing steel and 1200 cubic yards of concrete will be used to complete the job. Upon completion, total weight, including the water, will be 9½ million pounds.

A pump house at the side of the reservoir will pump water directly into the hospital water lines or into the high rising tank, which is a floating system furnishing pressure for the institution.

CHURCH CIRCLE MEETS

The Ruth Ford circle of Second Baptist Church met Tuesday evening with Mrs. Elsie Sturdivant, 2222 Adams street, Margaret Dutton, wife of the pastor, opened the meeting with prayer.

Mrs. Rosemary Wilson gave the call to prayer, noting missionaries with birthdays that day. The program was led by Mrs. Eloise Yates, with Mrs. Naomi Roney and Mrs. Lena Stephens taking part.

The business meeting was led by the chairman, Mrs. Sturdivant. Community mission for the month will be to take birthday cakes to the Madison county sanatorium.

Refreshments were served by the hostesses. Others present were Mesdames Mina Duggins, Florence Paul, Evelyn Smith, Alene Phillips, Georgia Mitchell, Naomi Barnett and Goldie Smith.

SURPRISE PARTY

Mrs. Betty Lewis of Bryan avenue was given a surprise birthday party by neighborhood children Monday evening. During her absence from her home Monday, the children with the assistance of Lewis baked a cake and prepared the refreshments.

Upon her return in the evening, she was surprised with gifts and refreshments.

Games were played, and those present were Nancy, Norman and Nora Sanders, Donna McCoy, Gail and Gary Lewis, Col. Wilmoth and Mrs. Dorothy McCoy.

MRS. LEWIS HONORED

Primary Sunbeams of Second Baptist Church met Tuesday afternoon. Mrs. Beverly Crown and Mrs. Arlene Smith led the six and seven-year-olds and the six and seven-year-olds. Mrs. Betty Lewis led the eight-year-olds.

A Bible story was told and the older group made an autograph book. The younger group decorated a large white tablecloth with birthday greetings and Mrs. Lewis, Sunbeam director, was surprised with a party given for her by the leaders.

Mrs. Smith offered prayer. Cake, juice and punch were served to Norman Sanders, Cathy Moore, Debbie Carmichael, Sandra Norton and a new member, Sandra Davis.

Mr. and Mrs. William Sanders, 2900 Dewey street, Mr. and Mrs. Jim Carson and Gary Barker attended the DuQuoin State Fair, returning home Monday.

10 Turkish Officers Visit AVCOM Today

Ten Turkish officers are visiting the Army Aviation Materiel Command in St. Louis today as part of a month-long tour, spanning 19 Army commands, schools and installations in 11 states.

The group includes two generals, Maj. Gen. Suleyman Asutoglu, chief of personnel, and Maj. Gen. Sedat Soykan, chief of logistics, ground forces command. They are being accompanied by Buynayra Necah, instructor, and Col. John Crosby, U. S. tour director.

They arrived here following a visit at the Army's armor center and school at Fort Knox, Ky., and will leave this evening for Fort Leavenworth, Kansas, home of the Army's Command and General Staff College.

Maj. Gen. John Norton, AVCOM commander, met with the group this morning, and members of his staff briefed the visitors on AVCOM operations.

The officers toured the St. Louis waterfront this afternoon in a LARC XV, a 15-ton amphibious lighter, arranged by Col. Charles E. Hoskins III, Granite City Army Depot commander.

The Turks are the first large group of allied officers to visit AVCOM this summer. Touring groups have visited many of the points of interest here, and two or three large groups have been guests of the famous Muny Opera. Some foreign visitors have particularly asked to see the opera, apparently after talking to prior visitors from their home countries.

Pfc. Jerry R. Ritchie Graduates With Honors

Army Pfc. Jerry R. Ritchie, 25, son of Mr. and Mrs. John H. Ritchie, 4233 Highway 112, was named honor graduate upon completion of a 26-week Internal Guidance and Launcher Repair course at Redstone Arsenal, Ala.

The certificate was presented by Lt. Charles E. Chapman.

In the course, Pfc. Ritchie learned missile electronics, as well as field maintenance of the Hawk missiles and associated test equipment.

Pfc. Ritchie entered the Army in October 1966 and was last stationed at Ft. Leonard Wood, Mo.

He was graduated in 1967 from Granite City high school.

His wife, Carole, lives on Spring Avenue.

Marriage License Issued

A marriage license has been issued in Belleville to David G. Carro and Miss Mary L. Coleman, both of Granite City.

SOCIETY

Iota Psi Chapter Holds Dinner

Iota Psi chapter of Beta Sigma Phi met last night in the home of Mrs. Louise Harvey, 2407 Delta avenue. Ten members attended.

Mrs. Barbara Johnston presided and introduced Mrs. Beryl Nyboer, who demonstrated the making of cancer dressings which will be at service project of the chapter.

The program for the evening "The Definition of Happiness," was given by Mrs. Johnston. After the meeting refreshments were served by the hostess.

Mrs. Herman conducted the business session during which plans for the year were discussed and a report on social events to come was given by Mrs. Kalert, social chairman.

Mrs. Lois Mullen was awarded the prize. Others present were Mesdames Dorothy Sinovic, Joyce Corey, Marilyn Harris, Jo Ann Macdon, Carol Cathey, Shirley Dittich, Barbara Painter and Miss Jane Davis.

Rush Season Being Planned

Theta Theta Chapter of Beta Sigma Phi met Wednesday evening in the home of the president, Mrs. Donna Sprankle, 1320 Joy avenue.

Plans were made for the new year, the rushing of new members and appointment of committees.

Those attending were Mrs. Wanda Rousseau, Mrs. Julia Gates, Mrs. Charles Baldwin, Mrs. Ellen Cain, Mrs. Barbara Adams, Mrs. Mary Baker, Mrs. Janet Whealon, Mrs. Bonnie Wallace and Mrs. Linda Pickett.

Nu Zeta Chapter Plans Project

Nu Zeta Chapter of Beta Sigma Phi met last night in the home of Mrs. Louise Harvey, 2407 Delta avenue. Ten members attended.

Mrs. Barbara Johnston presided and introduced Mrs. Beryl Nyboer, who demonstrated the making of cancer dressings which will be at service project of the chapter.

The program for the evening "The Definition of Happiness," was given by Mrs. Johnston. After the meeting refreshments were served by the hostess.

Season Begins For Sorority

Among the many clubs and organizations resuming meetings this week was Beta Phi Chapter of Epsilon Sigma Alpha sorority last night in the Polish Hall in Madison.

Carolyn Smith presided, and committees were appointed for the coming season.

Those attending the meeting were Donna Theis, Linda Giger, Norma Dyer, Delores Milton, Shirley Long, Judy Dyer, Sandy Cuvar, Millie Clements, Pamela Wilson, Ann Hoxton and Shirley Claxton.

ANCHORAGE SENIOR CITIZENS MEET

The Anchorage Senior Citizens met Wednesday afternoon in the recreation hall with Mrs. Charles Motts in charge.

Plans were made for future activities, including the making of ditty bags for the Red Cross and a pot luck dinner Sept. 20. Forty-two were present at the meeting.

SHIP SHAPE GROUP

HONORS MRS. SLATE

A weekly meeting of the Ship Shape chapter of Madison was held Tuesday evening at Schermer's civic center in Madison. The leader, Mrs. Yvonne Passig, presided and the Tops pledge was read.

Roll call was taken, with Mrs. Ann Slate named "queen of the week" and monthly queen for August.

An invitation was received from Tops Can Do in Belleville to attend an anniversary banquet Oct. 18 at Fischer's restaurant.

Delegates to attend the Tops convention in Chicago Sept. 28 are Mrs. Passig and Mrs. Jackie Gattung.

Penalties were given to Mrs. Marion Kelly, Mrs. Bernice Komosa, Mrs. Mary Niebur, Mrs. Marie Berger and Mrs. Zena Voss. A prize went to Mrs. Billie Schuler.

Others present were Mrs. Maria Jones, Mrs. Elizabeth Bucher, Miss Nancy Hadley, Mrs. Helen Townes, Mrs. Dorothy Brookshire, Mrs. Melanie Wolf, Mrs. Sandy Barrios, Mrs. Lorraine Gremard and Mrs. Sharon Rickert. The meeting adjourned with prayer by Mrs. Townes.

FIRST WEBSTER PTA MEETING NEXT MONDAY

The executive board of Webster school PTA met Tuesday evening at the school with the 1967-68 president, Miss Elise Girard, presiding. She announced that there will be a PTA leadership training course in Carbondale Sept. 14-15.

It was announced that Mrs. Sally Sumpter, Mrs. Delores Sanders and Mrs. Helen Frazier will audit the PTA books this year. Mrs. Jackie Watkins was introduced as the new hospitality chairman and the board agreed to sponsor a Cadette Girl Scout troop this year, with Mrs. Pat

Fallon as leader. The board discussed the possibility of changing the regular PTA meetings from Monday to Tuesday evenings this year.

The first PTA meeting will be held next Monday at 7:45 p.m. There will be a "get acquainted" program.

The group will vote on the change of meeting nights and also on holding a "spook carnival" in October. The executive board will serve refreshments.

Attending were Principal Clyde Lee, Mrs. Watkins, Eugene Miller, Mrs. Sumpter, Mrs. Shirley Tolan, Mrs. Betty Woodruff, Mrs. Margaret Amisch and Mrs. Mae Lee.

BRIDE-TO-BE HONORED

A weekend bridal shower honoring Miss Nancy Herman was given by Miss Paris Meszaros and Mrs. Donna Johnson Simpson at the home of Miss Meszaros, 2639 East 24th street.

Games with prizes were enjoyed by the guests preceding the opening of shower gifts. The refreshment table was decorated in a yellow and blue theme, centered with a white wedding cake.

Guests included Mrs. Marjorie Martin and daughter, Linda, of Mt. Olive, Mrs. Nellie Mosko, Miss Jane Kerch, Miss Robin Robinson, Miss Linda West, Mrs. Gertrude Bartley, Mrs. Jo Ann Patterson, Mrs. Rosalie Brombier, Mrs. Emma Boland, Mrs.

Joanna King, Mrs. William Her- man and Mrs. Anna Meszaros.

LUAU AT LLOYD HOME

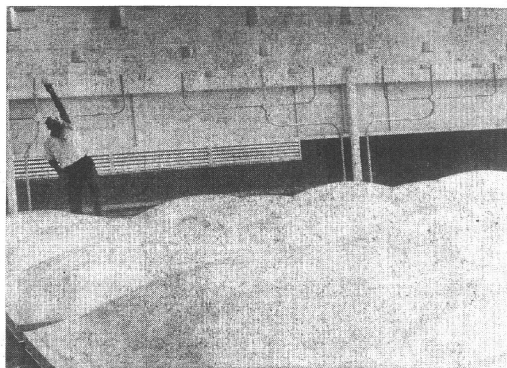

Lanterns, balleons, assorted flowers and a parrot decorated the yard and swimming pool in a South Sea island atmosphere for a Hawaiian luau given by Mr. and Mrs. John Lloyd at their home, 1601 Pontoon road, Labor Day.

Guests arrived in Hawaiian costumes and were greeted with Hawaiian leis presented by the Lloyds' daughter, Rosemary, and son, Skip.

The day began with the roasting of a whole pig over an open pit fire.

Tables were decorated with fresh pineapple and coconuts, and recorded Hawaiian music was played.

Swimming was enjoyed by many of the guests who included Mr. and Mrs. Joseph Fox and daughters, Barbara, Debbie and Janet, Mr. and Mrs. Patrick Cordery and children, Johnny Pat and Mary Kathryn, Mr. and Mrs. Jack Mullinex and daughters, Janet and Julia, Mr. and Mrs. Ron Ward and sons, Ronnie and Scotty, Rev. and Mrs. Wendell Garrison and children, Greg, Ruth and Mary Ann, Mr. and Mrs. Gordon Charlton, Mr. and Mrs. John Smith and children, Mrs. George, Sandra and Ione, Jim Patterson, Mrs. Phyllis Whaley and David Charlton.

NOT A BILLOWY DORMITORY, but curved glass panels in the skylight of the new University Center at Southern Illinois University-Southwestern campus. A custodial workman Edgar Thompson is changing lights in fixtures above what appears to be huge pillows. The glass panels allow the passage of both sunlight and artificial light onto the sunken lounge 40 feet below.

LABOR DAY BARBECUE

Mr. and Mrs. James Russell had as visitors during the week-end Mrs. Russell's sister and brother-in-law, Mr. and Mrs. Bob Nelson and children, Shannon, Chuck and Karen, of Poplar Bluff, Mo.

The Russells gave a barbecue on Labor Day, and those present were their weekend guests and Bobby Russell, Mr. and Mrs. George Russell and Mr. and Mrs. Robert Hamilton.

Mr. and Mrs. Vernie McDowell celebrated their 50th wedding anniversary Sunday with an open house in the afternoon. The McDowells live at Dixon, Mo.

Their children from here who went to see them were Mr. and Mrs. Kenneth McDowell and children, Eddie and Connie, Mr. and Mrs. Woodrow Crismon and daughters, and Mr. and Mrs. Glen McDowell and son, Carl.

INJURED IN FALL

Mrs. Amanda Townzen is in St. Joseph's Hospital, Highland, Ill. Mrs. Gertrude of California lives at Marine, Ill., and was visiting her daughter, Mrs. Anna Mae Norton of Layton road, when she fell while at-

Driving Charge Filed

Tony R. Kash, 4137 East Lake drive, was arrested about 10 p.m. Wednesday on a charge of careless driving at 23rd street and Madison avenue.

HOLIDAY GATHERING

Mr. and Mrs. Tiny Williams gave a barbecue Sunday at their home, 495 Rode avenue.

Their guests were Mr. and Mrs. Joe Robinson, Mr. and Mrs. Jerry Diaz, Mr. and Mrs. Don King, Jr., Gale Dion, Mr. and Mrs. Bob Tester and children and Charles Tiepelman. The guests played horseshoes and volleyball.

Mr. and Mrs. Joe Robinson was visited through Monday by Mrs. Nellie Holtmann.

HOSTS AT BARBECUE

A barbecue was given Sunday at the home of Charles Crow by Mrs. Ruth Wehli and sons, Gary and Brian. Guests were Mr. and Mrs. Abe Guntmacker, Izzy Carls, Mr. and Mrs. Gertrude of California, Mrs. Rodine Feldman and daughter, Jackie, Marion Owen, Mrs. Frances Reagan, Mrs. Eva Weinberger and Nat Schneider.

**JANE PARKER
WHITE BREAD ISN'T
THE BEST SELLING
IN THE U.S.A.**

KNOW WHY?

Because it's not for sale in most stores.

Only A&P.

And so, it's only

one of the ten best-selling breads in the U.S.A.

But what a "ten-bester" Jane Parker White Bread is!

It's the one that's dated on the wrapper so you can see it's fresh.

It's the one with quality that

equals or surpasses the others in the top ten.

It's the one with flavor so good

it's guaranteed to please your family —unconditionally guaranteed.

It's the one that, chances are, sells for a lot less than all the others in the top ten.

And remember, it's the one that's sold only at A&P.

When you think about it, shouldn't A&P be your store?

MORE ABOUT

\$21,934 Housing

provided in 1945. Since the Granite City authority used much of its allocations for such projects as development of Yourees Colonial sales to veterans, its transfer will be smaller than that of most authorities. Executive Director David Morgan said.

State Meeting
Morgan and a member of the maintenance staff were authorized to attend an annual meeting of the Illinois Association of Housing Authorities Sept. 21-22 in Springfield.
Chairman Walter Platt presided, and commissioners present were Vice-Chairman Clarence Hoy and Frank Fuzessery. Also attending was Earl Thompson, who has been named to the local board but has not yet been certified by the State Housing Board.

2 Youths Nabbed After Break-In at Michel's Grocery

A burglary at a grocery store led to two arrests this week as three cases of theft and two of break-ins were reported to Quad-City and county police authorities.

Two of three youths who were seen breaking into Michel's grocery store, 22nd street and Edison avenue, at 8:45 p.m. Wednesday were arrested by Granite City police a short time later.

The third, a juvenile, is being sought.
Burglary charges were to be filed today against Joe Homan, 19, of 1817 Collinsville avenue, Madison, who was arrested at the home of a sister in Granite City, and against a Granite City boy, 15, who is to be referred to juvenile court.
Cigarettes were removed from a rack and placed into bags, but they were left in the store as the youths apparently became frightened. The grocery store is going out of business.

Entry was gained by using a key on a side door and then forcing door latches. A woman witnessed the break-in and notified police. The boy was caught running down an alley.
Alvin Michel said a key to the side door was stolen about a year ago. Homan was at liberty on bond on a disorderly conduct charge. He was arrested last Saturday at 19th and State streets.

Rudolph Bezlay, 2442 Adams street, reported at 10:45 a.m. Wednesday that two clocks and a movie camera were stolen from his home. There was no sign of forced entry.

Sixteen pieces of 3/4-inch plywood foundation forms and 25 pieces of 2x6-inch plywood forms were stolen from Maryville school, it was reported to the Madison county sheriff's office at 8:40 p.m. Wednesday. Value of the material was unknown.

A glass cabinet was forced open at the Woolworth store, 19th street and Edison avenue, Wednesday morning, and one of a pair of two-way, nine-transistor radios was stolen. It was reported at 12:35 p.m. The set was valued at \$60.

Patrolmen found the door open at the Golden Krisp Donut Shoppe, 2188 Washington avenue, and after the owner was notified, it was discovered that a drawer was removed from the cash register and placed on a counter. None of the change was taken, however, and nothing was reported missing.

Bidding on SIU-SW Water Project Pending

The Edwardsville city council voted unanimously Tuesday evening to reopen bids for construction of a water line and meter connection between its Pough water plant and the SIU-Southwestern campus. The action was taken when no bids were received for the connection project by Monday's deadline.

Construction of the 200-foot line and meter connection to a 600-foot water line, already installed by the University to its western boundaries, will enable SIU-SW to terminate use of its own water pumping and treatment system currently in service.

Concentrated iron content in water supplied through the SIU-SW system creates problems in mechanical operations and equipment, a spokesman for the University said today. SIU-SW has agreed to pay for the construction project, with exception of the meter installation.

Capital Fund Drives Madison Rotary Topic

Capital fund-raising campaign procedures were outlined to Madison Rotarians yesterday by Sidney Towerman, who has had extensive experience in that field. Affiliated with the United Jewish Appeal, the St. Louis county businessman is a former music critic for a national magazine. He stressed that major gifts must total at least 40% of the goal in order for most capital fund drives to be successful.

He was introduced by Leo Schermer, program chairman. President Harvey Miller presided, and a guest at the weekly luncheon was James E. Tol of Monmouth, Ill., governor of Rotary District 646.

Miller said plans are being made for another attendance contest between teams of club members.

John Sekora Gets Fulbright Fellowship

John Sekora, 28, a 1959 local high school graduate, left Wednesday for London, England, where he will study English for a year as a Fulbright fellow. The fellowship will provide for all his basic expenses, including tuition, books, travel and lodging.

Sekora, son of Mrs. Sheila Sekora, 806 Iowa street, was graduated from Princeton University, N. J., in 1963, and then studied and taught English at St. Augustine College, Raleigh, N. C.

The Fulbright fellowship is awarded nationwide to college graduates for outstanding scholarship, and pays their expenses for a year of study in any of several British universities.

Trainee Projects in Alton To Get \$145,779 Grant

Two projects to train 168 unemployed or underemployed persons at Alton State Hospital to become medical assistants, will get under way with \$145,779 in federal funds, W. Willard Wirtz, secretary of labor, and John W. Gardner, secretary of Health, Education and Welfare, announced from Washington, D. C., today.

Both projects, part of 13 institutional trainee projects opened in Illinois, will be conducted at the Alton State Hospital, where 14 weeks of courses, costing \$112,572, will be held to teach 120 trainees to become psychiatric aides; and 12 weeks of courses, costing \$39,244, will be held to teach 48 trainees to become medical service housekeepers.

HELP STAMP OUT STRANGERS

None are quite so alone as the stranger in town, or the newcomers to the neighborhood. Remember your last move... how you felt as the moving van pulled away... how you more than half wished you'd never come?

Share your new neighbors feelings such as these. Let the Welcome Wagon Hostess bring greetings and gifts to make them feel at home. Help stamp out strangers. Call Welcome Wagon today at TR 7-0556

Buy Bonds where you work.

He does.

Why do our servicemen buy U.S. Savings Bonds? Their reasons are the same as yours and mine: saving for the future, supporting freedom. And because they're fighting for freedom, too, maybe servicemen see the need more clearly than many of us. Buy Bonds. In more than one way, it makes you feel good.

New Freedom Shares

Now, when you join the Payroll Savings Plan or the Bond-a-Month Plan, you are eligible to purchase the new type U.S. Savings Note—Freedom Shares. Freedom Shares pay 4.74% when held to

maturity of just 4½ years (redeemable after one year), are available on a one-for-one basis with Savings Bonds. Get all the facts where you work or bank.

U.S. Savings Bonds, new Freedom Shares

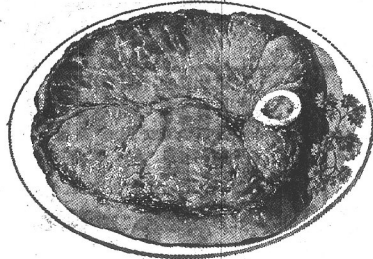

The U.S. Government does not pay for this advertisement. It is presented as a public service in cooperation with the Treasury Department and The Advertising Council.

SIU Student Recipes

"Chuck Wagon Trails" was the title Frances Holloway, a Southern Illinois University home economics student, gave to her final food demonstration, presented before a classroom of invited guests at Carbondale.

Miss Holloway, from Waltonville, devoted her demonstration to recipes using beef, and included Kabobs, Ground Meat Pie, Meat Sauce, Hobo Meal, and Vegetable Meatloaf.

Here are her recipes:

KABOBS
3 lbs. Chuck, cut into cubes. Cover with the following marinade and let stand for 2 hours: 1 tablespoon lemon juice, 3 tablespoons salad oil, 1 clove crushed garlic, 1/4 teaspoon salt, 1 teaspoon water, dash pepper, dash accent.

Drain off marinade and save. String meat alternately on skewers with the following: mushroom caps, raw apple slices, celery chunks, green pepper chunks, small onions. Place skewers on broiler pan. To the drained marinade add: 1/4 cup honey, 1/4 cup pineapple juice, 1/4 teaspoon ginger. Brush this mixture over the skewers. Place 4 inches from heat. Broil 15 to 20 minutes, occasionally brushing with the sauce, and turning often.

GROUND MEAT PIE
1 lb. ground beef
Salt and pepper
1 No. 2 can (2 1/2 cups) green beans
1 11-oz. can condensed tomato soup
Mashed potatoes
Cook onion in hot fat until golden; add meat and seasonings; brown. Add drained beans and soup. Pour into greased 1 1/2-qt. casserole. Spoon mashed potatoes in mounds over the meat. Bake in moderate oven (350° F.) for 30 minutes.

MEAT SAUCE
2 tablespoons fat
2 tablespoons chopped onion
1 lb. ground beef
1 tablespoon Worcestershire

1 teaspoon salt
1/4 teaspoon black pepper
1/4 teaspoon garlic salt
2 cups tomato juice
1 cup tomato catsup
1 can tomato puree
Saute finely chopped onion in melted fat. Add ground meat and seasonings. Stir until meat is slightly browned and add tomato juice, catsup and puree. Simmer for 20 minutes. Serve over hot drained boiled spaghetti. Sprinkle with grated cheese.

HOBO MEAL
Ground Beef,
Salt and pepper,
Irish potatoes, cut in thin slices
Carrots, peeled and split lengthwise
Onions, sliced
Butter or margarine
On a square of aluminum foil, center a large hamburger of the ground beef. A slice of onion, potatoes, carrots, dot with butter. Season with salt and pepper. Wrap. Place on baking tray and bake in 325 degree F. oven for 45 minutes.

Chicken, pork chop or round steak may be substituted for the ground beef.

VEGETABLE MEATLOAF
1 1/2 pounds ground beef
1/2 cup fine dry bread crumbs
1/4 cup minced onion
2 tablespoons chopped parsley
1 egg, slightly beaten
1 No. 2 can
Dash pepper
1 pkg. (9 oz.) frozen cut green beans, cooked and well drained
Combine 1/2 can soup with all ingredients and seasonings. Mix well. On waxed paper pat into a 12 x 9 inch piece. Spread beans within 1 inch of the edges; pat into meat tightly; roll as a jelly roll, starting at long edge. Seal ends. Use waxed paper to transfer to baking dish. Bake at 350 degrees F for 40 minutes. Spoon off fat. Pour remaining soup over loaf and bake for 10 more minutes.

SOCIETY

COOKS HONORED ON
WEDDING ANNIVERSARY

The Harold W. Davis family, Rural Route Two, hosted a combination picnic and wedding anniversary observance honoring Mr. and Mrs. Dale E. Cook, Rural Route One, at Wilson Park this week.

The Cooks, who were accompanied by their four children, marked their 14th anniversary.

Others attending were Mr. and Mrs. Luther Davis, Mr. and Mrs. Charles Taylor and children and Mr. and Mrs. Bill Ridings and children, all of Granite City, Mr. and Mrs. Preston Ridings, Rural Route Two, Mr. and Mrs. Norman Unverzagt and children of Moline, Dr. and Mrs. R. R. Buller and children of Collinsville and Mr. and Mrs. Robert F. Davis and Mr. and Mrs. Robert Tucker and children, all of Creve Coeur, Mo.

KARANDIEFF RETURNS
FROM 10,300-MILE TRIP

H. D. Karandieff, local banker, who was accompanied by Carl Erickson, former district manager for the Metropolitan Life Insurance Co. office and now living in Coral Gables, Fla., returned this week from a 10,300-mile motor vacation trip. They toured the Alcan highway to Alaska.

AWNINGS—G. C. GLASS CO.
15th & EDISON, TR 7-5400

SIU Campuses to Open Classes on Sept. 20

Southern Illinois University will begin its 94th year when classes convene Sept. 20 at campuses in Carbondale and the local area. An enrollment surpassing last year's record of 25,700 is anticipated at the two sites when the fall term opens. Freshmen will arrive Sept. 17 for a three-day orientation. Those who did not register during the summer-long early registration period may do so during orientation week. Unregistered returning students will be accepted on the 20th.

University housing office authorities reported only a few remaining vacancies in campus residence halls at Carbondale but expected some rooms to be available because of last-minute cancellations.

No shortage of student rooms is anticipated, however, because of the many privately-owned dormitories and rooming houses in Carbondale.

President Delyte W. Morris will address the freshman class at 9 a.m. Sept. 18 in the university ballroom at the Southwestern campus and at a 10 a.m. Sept. 21 convocation in the SIU arena at Carbondale.

Man Fined, Sentenced

Wayman D. Daniels, 31, of 2652 Grand avenue, was fined \$655 and sentenced to 30 days in the Madison county jail Tuesday in of theft under \$150, driving with stolen license plates and unlawful use of a weapon. He was released to East St. Louis police. He was arrested Saturday at 2650 Grand.

Vandals Damage Apts.

Vandals caused a considerable amount of damage at Sir John's Court apartments, 27th and Center streets, during the Labor Day weekend, it was reported Tuesday by Amco Plumbing Co. and Jim Green Construction Co. Damage to the plumbing was estimated between \$1000 and \$1500.

New, Lower License Plate Numbers Planned for 1968

Because of steadily increasing motor vehicle registrations, a new series of passenger car license numbers will be issued beginning with the 1968 registration, Secretary of State Paul Powell announced today.

These numbers will be made up of two letters and one and two digits. For example, in the series beginning with AA, the numbers 1 through 99 will be issued for the first time. The same numbers will be used with other letter combinations, also.

Motorists requesting these numbers must have their applications in this office on or before Sept. 30, Secretary Powell said. He also advised them to submit three or four alternate

preferences in case he is unable to assign their first choice. A total of 32,000 additional numbers will be gained by using one and two digits with the letter combinations.

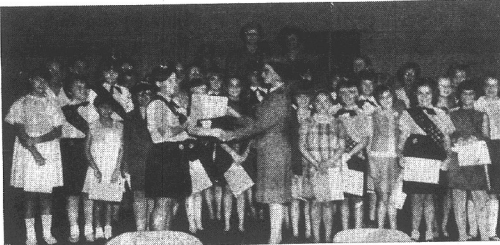

As in the past, the letters I, O, Q and Z will not appear in any of the letter combinations, and certain others will not be used on passenger car plates because they apply to specific categories, such as DL, which designates dealer licenses.

Practical Nurse Course Now Open

Quadrants interested in participating in a fall course of instruction in practical nursing, to be conducted at the F. W. Olin Vocational School of Practical Nursing in Alton, may be interviewed Wednesday, Sept. 20, at St. Elizabeth Hospital, if appointments are made in advance.

John P. Drees, director of public relations and development at the local hospital, said applicants may arrange an interview here by calling TR 6-2020, Ext. 314.

Additional interview sessions will be conducted Sept. 19, 20 and 22, at the Olin School, 2200 College avenue, Alton, with prospective students calling 489-0693, Ext. 14, or writing the Alton school for an appointment, Drees said.

HORSEMANSHIP BADGES being awarded to Girl Scouts and Boy Scouts in ceremonies Tuesday evening at the YMCA. They were earned this summer with the aid of members of the Trailriders Saddle club. Laura Harsh is shown receiving her badge from her scout troop leader, Mrs. Mary Lockhart. Cub pack den mothers in the back row are Mrs. Vee Thron (left) and Mrs. Pat Emere.

State Capitol NEWS

Banned from Discriminating

Employment agencies in Illinois no longer are permitted to accept job orders discriminating against an applicant because of race, color, religion, national origin or ancestry, Selwyn H. Torff, chairman of the Illinois Fair Employment Practices Commission said.

House Bill 289, passed by the 75th General Assembly and approved by Otto Kerner on Aug. 11, amended the Fair Employment Practices Act to include discrimination against job applicants. Referral and servicing by an employment agency were formerly prohibited by the act.

The Fair Employment Practices Commission, established in 1961 by the State Legislature to reduce discriminatory employment practices, receives and recommends charges from persons who believe that, despite qualification for a job, they were fired, not hired or not promoted. The act covers employers, employment agencies and labor organization.

Hunting Areas Opened

Four conservation areas and four state forests are open for squirrel and dove hunting, the Illinois Department of Conservation has announced.

Conservation areas are: Douglas county, near Hindsboro; Pope-Massac, southwest of Bay City; Marshall county, south of Lacon; Woodford county, north of Spring Bay.

State forests are: Mason, near Mantle; Shelby, south of Clarksville; Henderson, south of Keithsburg; Union, southwest of Anna.

Three pleasant hunting areas are open for squirrel and dove hunting. They are: Green River,

south of Dixon in Lee county; troopers county, southeast of St. Anne, and portions of the Des Plaines area in Will county near Wilmington.

A booklet entitled "A Place to Hunt" is available free from the Illinois Department of Conservation, Division of Education, Room 113 State Office Building, Springfield 62706.

In the two months ended July 31, state narcotics inspectors arrested 29 persons on a variety of counts, including possession of narcotics, illegal possession of hypodermic needles and syringes, as well as for obtaining narcotic drugs by fraud and deceit.

One of the more interesting sightings of the two-month report, according to Joseph J. Healy, superintendent of the Division of Narcotic Control, detailed the destruction of 194 acres of marijuana.

Twelve groups throughout the state heard inspectors from the division discuss the narcotics traffic. Inspectors are available to school groups and other organizations interested in narcotics education.

Lake Evaporation

Details of water losses by evaporation from lake or reservoir surfaces throughout Illinois, and throughout the year, are given in a report published by the Illinois State Water Survey.

The new publication is "Lake Evaporation in Illinois," written by W. J. Roberts and J. B. Stille, survey engineers.

In Illinois, evaporation from a lake surface varies from 30 to 38 inches a year, but the variation does not follow straight lines of latitude from north to south.

The publication is Report of investigation 57. Single copies may be obtained free of charge from the Illinois State Water Survey, Box 232, Urbana, Ill. 61801.

Museum Gets Bull Skulls

Frank Central, Springfield, brought the Illinois State Museum a six-foot, four-inch bull

snake, one of the largest the museum staff has seen. The average bull snake reaches five feet in lengths.

One of the largest and most beneficial of all snakes found on the prairies and Great Plains, the bull snake feeds almost exclusively on rats, mice, ground squirrels and rabbits. As many as 35 mice have been found in its stomach at one time. This snake is a constrictor and, though small animals may be taken directly into the mouth and swallowed, the larger rodents are killed either by the snake's coils or by being pressed against the walls of a burrow.

The yellow and black specimen, collected near Bath will be used in the museum's exhibit of "Amphibians and Reptiles of Illinois."

State-Wide PTA Conference Planned at SIU, Carbondale

Representatives of local Parent-Teacher Association units are expected to participate in a state-wide conference next Thursday and Friday at Southern Illinois University-Carbondale campus to be sponsored by the Illinois Congress of Parents and Teachers.

Mrs. Kathleen Tadlock of Granite City, who is in charge of reservations for District 29 delegates, said today the conference will be patterned along the lines of the annual state PTA convention held each spring.

The two-day program will include general meetings, group conferences with officers and chairmen of the Illinois PTA Congress, special speakers, a reception for Life Members and a banquet.

Dr. R. Buckminster Fuller of Southern Illinois University, distinguished scientist and architect, whose geodesic dome design has brought him world fame, will address conferees at the banquet Thursday evening.

A special seminar on the hazards of smoking, also planned, will give detailed information on one of the PTA's special projects—one aimed to help parents convince their teenagers not to begin the smoking habit, according to Mrs. Walter G. Kimmel of Rock Island, ICPT president. PTA delegates will be greeted Thursday morning by Dr. Delyte Morris, SIU president, Mrs. Ralph W. Frost of Knoxville, Tenn., field representative of the National PTA and Mrs. Kimmel.

A "singalong" is planned for

those arriving Wednesday evening, to be led by Mrs. H. R. Parkrat of Chicago, state Cultural Arts chairman, who will be accompanied by Mrs. George E. Casper of Anna, conference organizer.

A symposium Thursday morning will present the challenging question—"What is PTA's Place in Today's Society?" Participants will be Harry L. Page, special assistant to the Illinois superintendent of public schools, Springfield; Mrs. G. D. Collins, Aurora, ICPT past president; and Guy E. Cornwell, Chicago, associate director, Illinois Association of School Boards.

Conferences with state officers and chairmen will be conducted Thursday afternoon and Friday morning. A series of "round table discussions" also will afford ample time for those attending the convention to enter the program, Mrs. Kimmel said today.

On Tuesday and Wednesday, the Illinois PTA State Board of Managers will meet at SIU's Neely Hall to conduct routine business as well as make final plans and arrangements for the statewide conference. All 75 board members have been assigned specific duties and will be assisted by many local PTA members during the ensuing two-day meeting. Mrs. V. J. Brazier of East Alton, ICPT first vice-president, is among those directing the program.

GC Council Ok's New Street Lights --32 in Alleys

Installation of 50 street lights including 32 in alleys was approved Tuesday night with adoption of a resolution by Granite City council members.

Mayor Partney cautioned council members to keep close watch on electricity costs, since the city has a limit of \$34,000 budgeted for street lighting during the current fiscal year.

Alderman Steve Basarich, chairman of the Light committee, said he has been checking on monthly charges for the street lights, and that the bill has been amounting to \$2700 a month. "I'm keeping tab on it so we won't go over," he advised the mayor.

Basarich said the city is receiving praise from local residents for its program of the last several months in installing lights in alleys. "The police department also thinks highly of it," he added.

Sixth and Eighth Ward aldermen again asked that Illinois Power Co. officials reconsider a policy of not installing lights in alleys. A number of the new subdivisions have no alleys, but do have utility easements. The alley lights authorized in the resolution are to be placed at the following locations:

At 219 State street, 2017 Grand avenue, West 22nd street at the alley between Illinois and Dewey avenues, in the alley at the intersection of the Dewey Avenue Methodist Church, West 22nd and Dewey avenue.

At 2020 Madison avenue, 2029 Bryan avenue, 2623 Delmar avenue, 1628 Mitchell avenue, 2132 Missouri avenue, 2205 Missouri avenue, 2544 Cleveland boulevard, 2445 Illinois avenue, 1815 Maple street, 1620 Iowa street, 1651 Maple street.

At 709 Niedringhaus avenue, 2569 Benton street, 2783 Nameoki drive, 829 Twenty-fourth street, 905 Niedringhaus avenue, 935 Niedringhaus avenue, 834 Niedringhaus, 2222 Illinois street, 2025 Ohio avenue, 2215 Bryan avenue, 3110 West 20th street, 2615 Cayuga street.

At 2130 Ohio avenue, 2019 Bryan avenue, 2111 Bryan avenue, 1520 Ponton road, 2537 Iowa street, 2006 Iowa street, 2426 Bryan avenue.

Sales Tax Balance for City Totals \$58,383

Granite City had a balance of \$58,383 in its sales tax fund on the council for the last three Aug. 31, it was reported to the council members Tuesday night by Comptroller Robert Stevens in compliance with a request made last week.

The comptroller and City Treasurer E. R. Rich have been recommending to the council that sales tax and working cash funds be transferred to wipe out a paper deficit in the sewer maintenance fund, since state law specifies that city checks cannot be written on any account with a deficit. The city has several unpaid bills for sewer maintenance for electrical power and the warning system for sanitary sewer lift stations.

With the proposed transfer of \$25,077 from sales tax to the sewer maintenance account, the sales tax balance would be reduced to \$33,306, but income this month is expected to amount to \$27,000, boosting the total to \$60,306, Stevens noted.

Opposition to the transfers of funds again was voiced by Alderman Moerlein, who called for deferral of the resolution. His motion was seconded by Alderman Robertson, and the debate ended.

The council received a detailed report from Treasurer Rich on the recently completed collection of 1966 taxes.

Rich said his office collected \$6,671,367 of the total tax bill of \$7,272,795 for all taxing agencies in the city-township. This is 91.89%, he added.

"At the time we returned the books to the county treasurer's office, the uncollected items amounted to \$601,428. Had this amount been paid to the Granite City township collector, we would have received an additional 2% collection fee which would have amounted to \$12,028 additional revenue for the city of Granite City," Rich advised the council.

Alderman Nomm commented that the council members should be given a list of local property owners that did not pay taxes.

here and that the list be used when the city awards any contracts in the future. "If people don't pay their taxes here so the city can have added benefits then perhaps the city should not do business with them," he added.

In his report, the treasurer pointed out the tax collection this year was \$738,235 greater than last year and that the 2% commission given to the city amounted to \$133,427, up \$14,765. The collection included \$3,801,725 current real estate taxes and \$25,108 back taxes for a total of \$3,826,832, and personal taxes of \$2,849,594 current and \$3581 back taxes, to total \$6,676,426.

Uncollected taxes include \$184,000 current real estate and \$198,238 back taxes for real estate for a total of \$382,238, and personal taxes of \$175,005 current and \$22,881 back taxes for a total of \$395,086.

Aldermen have expressed strongly their reluctance to deplete the sales tax reserve which one time had a balance of nearly a half-million dollars. The funds have been used during the past 10 years on costly sewer repair projects in the Nameoki area, for special street improvement projects and to bolster general operation funds.

Tax Collection Report The council received a detailed report from Treasurer Rich on the recently completed collection of 1966 taxes.

Rich said his office collected \$6,671,367 of the total tax bill of \$7,272,795 for all taxing agencies in the city-township. This is 91.89%, he added.

"At the time we returned the books to the county treasurer's office, the uncollected items amounted to \$601,428. Had this amount been paid to the Granite City township collector, we would have received an additional 2% collection fee which would have amounted to \$12,028 additional revenue for the city of Granite City," Rich advised the council.

Alderman Nomm commented that the council members should be given a list of local property owners that did not pay taxes.

Garage Burns on Edwards Firemen were called to the home of Lloyd McElroy, 2608 Edwards street, whose frame garage was burning at 3:20 a.m. Wednesday. The cause and the amount of loss were undetermined. A neighboring garage was blistered by the heat, firemen said.

Granite City PRESS-RECORD
Page 28 Thurs., Sept. 7, 1967

Two GC Girls Enrolled At Wm. Woods College

Two Granite City students will begin classes Sept. 14 at William Woods College, Fulton, Mo. They are Miss Kathleen Kaseberg, daughter of Mr. and Mrs. Howard W. Kaseberg, Rural Route One, and Miss Beverly Kay Williams, daughter of Mr. and Mrs. Woodrow W. Williams, Rural Route One.

Both are graduates of Granite City high school. While in school, Miss Kaseberg was secretary of the senior class, secretary of the German club and Wrestling Queen. She was a cheerleader and a member of the GAA and the Science club.

Miss Williams received two awards in the Pep club and was a member of the mixed chorus and the science club.

SIU Given \$434,970 Federal, State Grants

Six federal and state grants for the blind will include funds totaling \$434,970 have been received by the Rehabilitation Institute of Southern Illinois University at Carbondale for the coming year.

Three federal grants are from the Vocational Rehabilitation Administration of the Department of Health, Education and Welfare. The largest, for \$228,377, will be used to provide teaching allowances and stipends for 65 graduate students in the Institute's rehabilitation counseling program.

Another, for \$32,654, will provide faculty support and stipends for graduate assistants in the field of mental retardation. A third federal grant, of \$89,793, to train job placement counselors

for the blind will include funds for 30 regular traineeships and 30 short-term awards for placement specialists and counselors now working in various Illinois agencies for the blind.

State grants from the Illinois Department of Mental Health include one for \$54,550 to the Institute's Employment Training Center program. It will be used for personnel to expand and improve existing day care centers for mentally retarded.

Zone 8 of the Department of Mental Health has earmarked approximately \$30,000 to continue support for another year of personnel in the employment training center.

A DMH grant of \$30,596 will be used to continue support of faculty and graduate assistants in the Rehabilitation Institute's behavior modification program.

Still pending is a federal grant of approximately \$61,000 to equip, remodel and provide additional support for another year of personnel in the employment training center.

AEC Agents to Visit High Schools in Area

U. S. Atomic Energy Commission representatives are scheduled to visit 10 area high schools during October to present "This Atomic World," a one-day lecture demonstration on the story of nuclear energy. Congressman Melvin Price announced this week. None will be held in the Quad-Cities.

Price, chairman of the joint atomic energy research, development and radiation subcommittee, explained that the program will consist of a 40-minute assembly and follow-up presentations with science classes to acquaint secondary students and their teachers with the basic principles and the peaceful applications of nuclear energy.

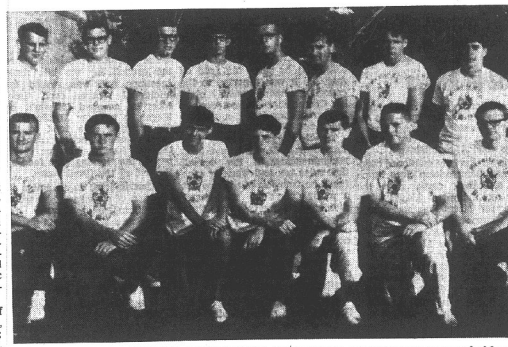

High schools and the dates of their participation are Marissa, Oct. 9; New Athens, Oct. 10; Belleville West, Oct. 16; Cahokia, Oct. 17; Mascoutah, Oct. 18; Collinsville, Oct. 20; Edwardsville, Oct. 24; Assumption, Oct. 25; East St. Louis, Oct. 26; and Lincoln of East St. Louis, Oct. 27.

'Back to School' Party Today at Prather

A "back to school" party for ninth grade girls at Prather junior high school will be held at 3:45 p.m. today at the school by the Girls Athletic Association. A similar party was held Tuesday for Coolidge junior high school girls.

In charge of the event are Roberta Rojas, entertainment; Barbara Blatner, food; Barbara Burtels, a name tags; Karen Deatherage, publicity; Joyce Harting, decorations; and Linda Kratz, clean-up.

The party is planned to acquaint prospective GAA members with the ideas and principles of the organization.

RUNNER-UP IN THE 39TH DEMOLAY conclave softball tournament held recently at Rockford, the Granite City DeMolay team pauses for a photo. Left to right are, kneeling—Gus Schalkham, Mike Welsch, Mike Sparks, Robin Teague, Steve Hileman, Tim Noud and Roger Mathews; and standing—Robert Cawley, Jim Naeve, pitcher Mike Asadorian, Larry Wallace, Terry Waffler, player-manager James Rucker, Tom Yikopsea and Reggie Teague.

Sister Mary Judine Earns Master's Degree

Sister Mary Judine Bruch, daughter of Mrs. Oliver L. Bruch, 2228 Cleveland Blvd., was one of the first 30 persons to receive the master of arts degree at the close of the summer session in education for work completed in Clarke College, Dubuque, Ia.

Members of the graduating class received their MA degrees in education for work completed in Clarke's experienced teacher fellowship program, one of four such schools in the nation.

Sister Mary Judine, who attended Dominican College in San

Rafael, Calif., and Clarke College received her bachelor's degree from Holy Name College, Oakland, Calif. She will be teaching at St. Anthony's school in Missoula, Mont., this fall.

Roca Club Installs New Officers for '67

Installation ceremonies for new officers of the Roca young men's club were held over the weekend at the Tri-Mor 300 room.

Newly-installed officers include Dave Anderson, president; Roger Belthe, vice-president; John Beresky, secretary; Bill Schermer, treasurer; and director George Smith and Tim Moore.

The Founders' and Jim Nash awards were presented to Rich White, who was also honored along with Paul Thomas and Terry Moore as high school graduates in the club this year.

Refreshments were served at the meeting, at which Doty Dewitt presided, and films were shown which three Roca members took while on a trip through the south this summer.

GC Auxiliary Police Hear State's Attorney

State's Atty. Leon Scroggins was guest lecturer Tuesday evening at the second session in the current series of instruction classes, arranged for Granite City auxiliary police officers and members of several county law enforcement auxiliary units. Weekly classes are held at the local civil defense center, 1411 Nineteenth street.

Speaking on the topic, "The Basic Concept of Criminal Law," the local attorney described various criminal and court procedures, explained the differences between misdemeanor and felony cases and outlined penalties involved.

At the group's previous session, Sgt. Joseph Nemeth of the Granite City police department, discussed the topic, "Interviews, Interrogation and Rules of Evidence."

Next week, course participants will hear GC Detective Michael Devine speak on the subject, "Collection, Identification and Preservation of Evidence."

Approximately 35 auxiliary police personnel are attending the fall lecture series.

Drives Wrong Way

Thomas Swigert, 2031 Fourth street, Madison, was charged with driving the wrong way on the two-way street at Benton and 24th streets at 2:15 a.m. Wednesday.

Obscene Word Written

An obscene word was written on the side of his 1961 station wagon while it was parked during the night at his home, William Collins, 4101 Kirkpatrick Homes, reported Tuesday.

City Treasurer To Get 2nd Clerk For Bookkeeping

An ordinance creating a job for a second clerk in the office of City Treasurer E. R. Rich was approved Tuesday night by Granite City council members. The salary will be \$325 a month.

The vote on the ordinance was 12-4, and those favoring the new job were Aldermen Dallas, Moerlein, Bartosik, Boyd, Poulos, Green, Basarich, Nann, Parnley, Robertson, Davies and Johnson. Opposed were Whitmer, Rutledge, Fry and Jarrett.

Salary for the added clerk was included in the new budget. While there was no discussion on the issue Tuesday night, at an earlier council session, Rich pointed out that added bookkeeping and collection work in his office brought about the need for the second clerk.

Beer Stand O.K'd

Council approval was given Veterans of Foreign Wars Post 1300 to operate a beer stand during the "Charity Days" festival at Nameoki Village shopping center on Sept. 14, 15 and 16. The special permit is to be issued by Mayor Partney as city liquor commissioner and is to be supervised by the police department.

Mayor Partney advised the council that he has arranged for two meetings involving council committees. Next Wednesday, the Sewage Treatment Plant committee is to meet with officials of the Army Decont to discuss operation of the city pumping station during high river stages. Partney said there could be a savings to the city in operational costs for the treatment plant.

On Thursday, Sept. 14, the mayor and Street committee are to meet with officials of the Junior Achievement program concerning the property needed to expand the Wabash avenue parkway south to Johnson road.

A resolution was approved to transfer \$3500 from the parking meter fund to a special fund for revising the electric school signal lights on Pontoon road at St. Elizabeth school to permit operation for the soccer fields and playgrounds when school is not in session. A similar change may be made in the lights on Pontoon road at Nameoki grade school.

May Cut Bus Zones

Alderman Nann called upon other council members to study bus zones in their wards to determine if any can be eliminated with the cutback in service by Bi-State Transit Co. "There's no need to deprive individuals of parking space if there are to be only a few buses running in the city," he remarked.

A change in a no-parking zone along St. Clair avenue was called by the council pending further study of the proposal. Alderman Jarrett said a revision in the proposed ordinance is needed in accordance with his recommendation.

The ordinance as presented, called for removal of the no-parking restriction on the south side of St. Clair avenue from Nameoki road to Dale avenue and placing it on the north side of St. Clair from Myrtle avenue to Dale avenue.

Varied Youth Activities at 'Y' This Fall

The fall youth schedule beginning next week at the YMCA offers youngsters a wide variety of activities, Youth Director Charles Hesse noted today.

Registration is in progress this week, with applicants telephoning or visiting the "Y" youth department office. Office hours are 9 a.m. to 7 p.m. on weekdays and 9 a.m. to 4 p.m. on Saturdays.

Full-activity youth department membership is available to those aged 6-13 for \$11 a year, entitling them to swimming lessons, most physical activities and programs, table tennis, pool and game room activities.

Yearly membership for the 14-18 age group is \$13, including swimming lessons, gym, Teen Town and clubs.

Continuous Swim Lessons

The Granite City YMCA uses the national "Y" aquatic program, under which classes are continuous, with swimmers promoted as soon as they pass the tests. As a result, lessons can be started at any time.

Fell swimming class plans include three groups of "paddlers" (age six and seven) for 45-minute classes at 4 p.m., Wednesday, 4:45 p.m., Wednesday and 4 p.m., Thursday, and three groups of "swimmers" (age eight and up) at 4:45 p.m., Thursday, 5:30 p.m., Thursday and 4 p.m., Friday.

"Minnows," who must be able to swim at least 20 feet to start, will be taught at 4 p.m., Monday and 4:45 p.m., Friday. Those who have passed the minnow test will meet at 4:45 p.m., Tuesday or 5:30 p.m., Friday.

Also scheduled are "flying fish and sharks," 5:30 p.m., Tuesday; "porpoises," 4 p.m., Tuesday; mother and child (age three, four or five), 10 a.m., Wednesday and 1:30 p.m., Wednesday; and high school (ninth to 12th grade) girls, 9 a.m., Saturday.

Recreational swimming will include family swims, 7 p.m., to 8:30 p.m., Monday and Friday and 2 p.m. to 3:30 p.m., Saturday; member boys and girls aged 6-14, 11 a.m. to noon Saturday; high school boys, 7 to 8 p.m., Thursday and 6 to 7 p.m., Saturday; high school co-ed swimming, 8:30 p.m., to 9 p.m., Monday and Friday; co-ed swimming, 1 to 2 p.m., Saturday; and non-members (aged 6-14), 10 to 11 a.m., Saturday.

Basketball, Gymnastics

Basketball leagues for grade school, junior high and high school boys will be formed this fall.

A junior leaders class for boys will meet at 4 p.m., Monday, girls and boys will meet for gymnastics at 4 p.m., Tuesday, boys' "Spartan training" will take place at 4 p.m., Thursday and advanced gymnastics will

be held at 6:30 p.m., Wednesday and Friday.

Judo for boys and girls is set for 9 a.m., Saturday (age 8-14) and 10:30 a.m., Saturday (age 15-18). High school boys' recreational basketball is planned for 4 to 6 p.m., Saturday.

Boys and girls interested in competitive swimming as a team are to contact the YMCA physical director, Forrest Cockrell, for information on tryouts.

A "Y" Indian Guides fall organizational "pow-wow" is planned for boys aged six through eight and their fathers.

YMCA pre-kindergarten for boys and girls four years by Dec. 31 will be held on two mornings a week beginning in October.

Soccer, Cooking, Guitar

The YMCA Soccer Association program will begin this week, and all boys interested in joining a team may sign up at the youth office.

Girls in the fourth through seventh grades are eligible for a learn-to-cook class in the "Y" kitchen, each Saturday from 10 a.m. to noon. A seven-week session will be taught by Mrs. Vera Kirkpatrick starting Sept. 30.

Beginning chords and rhythms on the guitar will be taught by Allen Campbell from 4:30 to 5:30 p.m., each Wednesday starting Sept. 13.

Champions of checkers and chess will meet all challengers each Saturday.

Bonnie Bone will conduct crafts classes each Friday from 4:30 to 6 p.m., beginning next week for 12 weeks.

Parking Meter Fees Up, \$3950 is Top for Year

Parking meter fees in Granite City reached \$3950 during August to set a record for the year, topping the June mark of \$3900, according to Comptroller Robert Stevens.

With fines of \$613 paid, parking meter income totaled \$4563, the second high of the year, under the June total of \$4641. It increased the eighth-month total to \$32,058. The same period for last year showed collections of \$31,627.

The fees were up by \$1500 over the July figure of \$2900. Fines dropped from \$1029 in July, which was high for the

year.

Being in operation for 27 days during the month, the daily average for August was \$169, the third high. June averaged \$177 and January had an average of \$176. The average in July was \$157, or \$12 less.

March remained the low month for the year with a daily average of \$136, with the slow period continuing in April with an average of \$137 and in May with an average of \$138.

Respect for Law, Order To be Topic of Meeting

Action programs designed to build respect for law and order will be recommended to Illinois communities at a state-wide conference emphasizing business participation in law enforcement on Sept. 28 in Peoria.

The convale, sponsored by the committee on respect for law and order of the Illinois State Chamber of Commerce, will feature a host of authoritative speakers from throughout the country.

George B. Peters, committee chairman, said State Chamber recommendations for community action program will be unveiled for local C. of C. officials and other community leaders. The recently formed committee, which helped secure passage of firearms control and other crime prevention legislation, has developed a local community action package program to deal with the widespread lack of respect for law and order.

Peters said the conference, speaking program will include a panel presentation of model

RIDC Board to Hold Annual Meeting

The second annual meeting of the board of directors of the St. Louis Regional Industrial Development Corp. will be held at 3:30 p.m. next Wednesday at the Bel-Air East hotel.

The board, representing the top leadership of labor, management, education, civic organizations and government, will hear a review of RIDC's 1966-67 activities.

Highlights of the review will be discussions of RIDC's role in promoting the establishment of LAMP, the new Labor and Management Plan for the region, and of St. Louis Venture Capital Inc., the development credit corporation aimed at promoting the establishment of research-and-development industry in the area.

The board also will elect new officers and an executive committee for 1967-68. The executive committee in turn will elect a new chairman of the board, replacing Dr. George E. Pale, executive vice-chancellor and provost of Washington University, who has served since July 1966. Directors include Nicholas Veder of Granite City Steel Co., William Hoescheier of the Manufacturers Association of the Tri-Cities, William Akin of Laclede Steel Co. and W. Ashley Gray of General Steel Industries.

Fall Hours to Start At GC Public Library

Mrs. Mary Gene Knufinke, librarian at Granite City public library, today announced the regular fall and winter opening and closing hours will start next Monday, Sept. 11.

Local patrons may use the library facilities between 9 a.m. and 8:30 p.m. on Tuesdays, and from 9 a.m. to 5:30 p.m. on Mondays, Fridays and Saturdays. The daily schedule during the fall and winter months is extended over the summer hours, she said.

Marine Pvt. Thomason Completes Training

Marine Pvt. Robert W. Thomason, son of Mrs. Marylee M. Brown of 1409 Washington avenue, was graduated from eight weeks of recruit training at the Marine Corps Recruit Depot at San Diego, Calif.

He will now undergo about three weeks of individual combat training and then, after leave at home, will report to his first Marine Corps assignment.

Red Cross 'Shop Early' Project Is Well Received

The Red Cross sponsored program to send "ditty bags" to servicemen in Vietnam for Christmas has received an enthusiastic response here, Mrs. Ruby Overbeck, executive director of the Tri-City chapter, reported today.

Persons or organizations interested in participating in the program to send Vietnam servicemen small all-purpose carry-bags for such items as combs, letters, pens and soap, may contact the local Red Cross, GL 2-7184.

The deadline for mailing the ditty bags in time to reach the servicemen by Christmas is Oct. 15. The program, called "Operation Shop Early," is a nation-wide effort to make sure that servicemen in Vietnam are not forgotten during the Christmas-time rush. Last year, thousands of servicemen wrote home that they found the ditty bags highly useful when traveling over difficult terrain.

Pat Suzuki to Visit Army Depot Sept. 14

Recording star Pat Suzuki, the petite, energetic vocalist who climbed to fame quickly after singing "I Enjoy Being a Girl" in "Flower Drum Song," will entertain military personnel at the Granite City Army Depot on Thursday, Sept. 14, it was announced today by Col. Charles E. Hoskin III, Depot commanding officer.

Her appearance at the local Army installation has been arranged in conjunction with a three-day visit to the Madison county area. Recently, Miss Suzuki recorded two songs, "Look What You've Done," and "This is How My World is Made," on the PDA label, a division of Production Design Associates Inc., of New York City.

Members of the news media, area municipal officials and representatives of the art departments at Southern Illinois University-Southwestern campus have been invited to meet the vocalist at a party to be held Sept. 15 at Sunset Hill Holiday Inn from 3 to 5 p.m., it was announced this week by Tom McNamara, reception committee chairman.

Granite Cityan Gets Reply from President

Mrs. Charles Forester of 28 Riviera drive has received a reply from President Lyndon B. Johnson in response to greetings she sent to him on his 56th birthday.

The reply, which was on official White House stationery, was—"Thank you very much for your kind birthday greeting. Your thoughtful remembrance and warm good wishes are deeply appreciated."

Marine Recruit Training For Pvt. Gary Skaggs

Marine Pvt. Gary L. Skaggs, son of Mrs. Gladys Counts of 3004 Nameoki road, was graduated recently from eight weeks of recruit training at the Marine Corps Recruit Depot San Diego, Calif.

The intensified Marine recruit training emphasizes rigid physical conditioning and survival techniques, both at sea and ashore, to develop self-confidence and endurance. Marksmanship with the M-14 rifle and 45-calibre pistol are equally stressed, and close order drill instills the traditions of Marine Corps teamwork.

Guest Speaker Sunday At Central Christian

Rev. Richard W. VanHoesen of Belleville will be guest speaker at the 10:45 a.m. service at Central Christian Church, 200 Johnson road, Sunday.

Since May 1, Rev. VanHoesen has been manager of the Bethany Book Store at the Christian Board of Publication in St. Louis. He is filling the pulpit at the local church Sunday in the absence of the pastor, Rev. James R. Craddock, who with his family, is vacationing in Virginia.

Seaman Recruit Bridges Is Great Lakes Grad

Seaman Recruit Larry D. Bridges, 18, USN, son of Mrs. Harvey J. Lewallen of 2819 Indiana avenue, has been graduated from nine weeks of Navy basic training at the Naval Training Center at Great Lakes, Ill.

In the first weeks of his naval service he studied military subjects and lived and worked under conditions similar to those he will encounter on his first ship or at his first shore station. In making the transition from civilian life to Naval service, he received instruction under veteran Navy petty officers. He studied seamanship, as well as survival techniques, military drill and other subjects.

18' BED, REAR STEP BUMPER, HUNDLEY PONTIAC

HALF CENTURY of service as a locomotive engineer ended Tuesday with the retirement of Hayden McKay from the Gulf, Mobile & Ohio Railroad in Venice.

Railroad Engineer 50 Years Retires Here

Fifty years of railroading ended Tuesday for Hayden McKay, 79, of Madison avenue, who retired from the Gulf, Mobile & Ohio Railroad.

A locomotive engineer, he had been an employee of the G. M. & O. and its predecessor, the Chicago & Alton, for 45 years. Previously, he worked 11 years for the Rock Island Railroad of Chicago and the Chicago & Eastern Illinois at Mitchell.

Although he has handled long-distance runs, McKay's principal work in recent years has been confined to the Quad-Cities. As a member of the G. M. & O. transfer service, he moved freight cars from his railroad's yards in Venice to the Alton & Southern yards in Mitchell.

Born in DeSoto, Mo., McKay has resided most of his life in Granite City. He and his wife, Carrie, have a daughter, Mrs. Dorothy Castle, Jennings, Mo., who is a teacher, and four grandchildren.

His retirement plans include "lots of fishing and traveling."

County Baptist Meetings Open Here this Morning

Between 500 and 700 persons are expected to attend sessions of the 3rd annual meeting of the Madison County Baptist Association which opened this morning at the Ponton Baptist Church, 1008 Ponton road, and will continue through Friday evening.

Members of the host church are to serve dinners to the groups and are providing nursery service for children who accompany their parents.

Featured speakers are Dr. James H. Smith of Carbondale, executive secretary of the Illinois Baptist State Association, who is to speak this evening and tomorrow morning, and Rev. Carl Watkins, pastor of the Walnut Street Baptist Church, Carbondale. Rev. Watkins is to speak this afternoon and at tomorrow's afternoon and evening services.

County association officers are to be elected.

Those presently in office are Rev. James Doon, pastor of the Meadow Heights Baptist Church, Collinsville, moderator; Rev. Rudolph Noel, pastor of the West 22nd Street Baptist Church, assistant moderator; Mrs. Mary Ruth Cresson of the Highland Baptist Chapel, clerk; and Marvin Cornett of Calvary Baptist Church here, treasurer.

The county association is composed of 23 churches and a mission and has 7000 members.

Burglars Also Took Machines, Food Stamps

Additional loot taken in a holiday weekend burglary at the Island Food Center, Broman avenue and Slough road, was reported to Venice police Tuesday by William Gushleiff, proprietor.

He said the thieves also made off with two gum machines, a novelty machine, \$4 in pennies and 16 food stamps—six of \$2 denomination and 10 of 50-cent denomination.

Nine-Month Sentence

Donald Carney, 2453 Logan avenue, was sentenced to nine months in the Madison county jail Tuesday afternoon in Magistrate's court after pleading guilty to driving without a license. He was arrested Monday night at West 22nd street and Missouri avenue.

Truck, Auto Collide

A tractor-trailer truck driven by Robert Herrington, Union, Miss., who was making a left turn, collided with an auto driven by Richard A. Darfler, St. Louis, at 3 p.m. Tuesday at 16th and State streets.

Mexican Honorary Group \$184,635 Balance To Observe Anniversary In GC Relief Fund

The Mexican Honorary Commission of Granite City will present its annual "Mexican Fiesta" at 8 p.m. Saturday in the Venice-Madison American Legion Hall, 740 Broadway, Venice. The public is invited to attend the event which will include a colorful variety show of gay Mexican folk songs, regional dances and specialty numbers performed in authentic costumes.

A variety of food dishes will be available and dancing to the music of an Latin-American orchestra will follow the musical production. Tickets priced at \$1.50 for adults and 75 cents for children may be purchased at the door Saturday evening.

The local fiesta commemorates the 17th anniversary of the Independence of Mexico, when the city "El Ciro" was issued on Sept. 15, 1810, in the town of Dolores, Mexico, starting the movement toward the country's total independence.

Guest of honor Saturday will be the Mexican consul in St. Louis.

Array of Entertainment

Under the direction of Mrs. Antonia Lopez, local youngsters and adults will present an array of entertainment. Hector Mendoza will serve as master of ceremony and Mrs. Mary Scanlon, soloist, will sing the national anthems of the United States and Mexico, followed with a selection.

RADEF Officers Class To Start Next Week

Specialized civil defense training for Radiological Defense Officers will begin at 7:30 p.m. Wednesday at the St. Clair county training and communications center at Swansea, near Belleville.

The course, taught by extension specialists from the University of Illinois under the auspices of the Illinois Civil Defense Agency, duplicates training previously offered at the Federal CD Staff College, Battle Creek, Mich.

Consisting of 32 hours of instruction, those successfully completing the course will receive certificates from the State of Illinois and the state CD agency. The certificates will enable the holders to serve as Radiological officers.

The Radiological Defense Officers' course is open to individuals selected by civil defense and U. of I. officials. All individuals must have successfully completed the Radiological Monitoring instructor's course before they will be considered for selection.

Enrollees may register at the initial session next Wednesday. Pre-registration, however, can be made by contacting William L. Eisele, Southwest Illinois Mutual Aid Area coordinator, P. O. Box 365, Belleville, or calling AD-205.

Qualified Radiological Defense Officers are urgently needed in most all city and county civil defense units throughout Illinois, Eisele said. He added that civil defense directors within the state are being urged to take advantage of the special program to train staff members. The course and all materials are free of charge.

STORM WINDOWS AND DOORS
GRANITE CITY GLASS CO., TR 7-5400

Other native folk songs will be presented by Miss Margie Ollar, soloist, and by Matias Avalos and Ramon Conley. A specialty number, "Jarabe La Botella," will feature the artistry of Roy Valencia and Debbie Tinley, while Ralph Rojas and Vicki Valencia will perform the dance—"La Jota."

Always a highlight of the fiesta is the "Jarabe Tascito," widely known in the U. S. as the "Mexican Hat Dance." The intricate and colorful dance will be presented this year by Raymond Lopez and Kathy Antoff.

Specialty Numbers

Other performers and the numbers in which they will appear, include: "Jarabe Michoacano," featuring Lisa Garcia, Debbie and Toni Tinsley, Richie and Ricky Serrano, Domingo Valencia, Toby Lopez, Sammy Valencia and Robert Galvin.

"Rasca Petate," with Kathy Antoff, Elen Brown, Phillip Jaime, Henry Garcia, Raymond Lopez, Tracy Hoffman and Ramon Goldschmidt.

"Guapango," spotlighting Lisa Garcia, Rozann and Becky Alvarez, Vicki and Domingo Valencia, Richie and Ricky Serrano, Robert Galvin and Sammy Valencia; and "La Bamba," with Garita and Laura Garcia, Linda Cook, Della Antoff, Tina Valencia, Steve Ortiz, Toby Lopez, Gerald Alvares, Donald Goldschmidt and Karen Simpson.

Assisting Mrs. Lopez in directing the production are Mrs. Spillie Antoff and Mrs. Barbara Valencia, assistant directors; and Linda and Lisa Garcia, assistants. Mrs. Barbara Valencia, secretary; Louis Becerra, treasurer; Joseph Bracamontes, vice-treasurer, and Mrs. Lopez, corresponding secretary.

Trustees include Mrs. Scanlan, Frank Ortiz, Kelly Valencia, Joe Becerra, Otilio Valencia and Joe Martinez.

The monthly financial report of Granite City Township Supervisor Nelson Hagnauer was submitted to city council members as the town board of auditors Tuesday evening and showed a balance of \$184,635 in the general assistance fund on Aug. 31.

Disbursements for relief during August amounted to \$4523. In the town fund, the Aug. 31 balance was \$13,646, with disbursements during the month totaling \$4476, and in the Illinois Municipal Retirement Fund, the Aug. 31 balance was \$185, after monthly disbursements of \$399.

Current town fund disbursements approved Tuesday night amounted to \$2294, while relief costs were \$2831.

City Plans to Ban Fortune Tellers

With the recent departure of a fortune teller from a residence along Nameoki road, a move was made Tuesday night by Granite City council members to ban any further establishment of fortune telling or palm reading businesses in the city.

Seventh Ward Alderman Jarrett called upon City Atty. Allen to prepare such an ordinance for presentation at the next council meeting.

Niedringhaus Methodist Choirs to Sing Sunday

After one month's absence, the church choir will return to the chancel of Niedringhaus Methodist Church for services Sunday. Under the direction of Warren G. Simpkins, the Youth Choir will sing in the 8:30 worship service while the Chancel Choir will sing in the 10:40 service.

The Children's Choirs will begin their fall rehearsals during the concluding portions of the 10:40 worship service. The Chancel Choir will include children from grades one through three, and the Crusader's Choir will be for the boys and girls of grades four to six.

The minister, R. Paul Sims, will continue the series of sermons from the Sermon On The Mount, preaching this Sunday morning on the theme, "Eternal Treasures." The Woman's Society of Christian Service will receive its special offering for Christian Missions at the close of the morning worship service.

The children's sermon in the 10:40 worship service will be delivered by the Rev. Dean Blackburn, associate minister. In the evening worship hour at 7:30, Rev. Sims will preach on the theme, "How To Worry Like Christian." This service, returning to the sanctuary, will conclude with a period of altar prayers.

SOCIETY

Rotary Anns Begin Season

The first fall meeting of the Rotary Anns was held Tuesday at the Chain of Rocks Motel. The group gathered at 11:30 with sack lunches, and coffee and cake were served by the hostesses, Mrs. Barbara Thelke, Mrs. Carol Davis and Mrs. Kitty Kulenkamp.

A very brief business session was held with the new officers in charge. They are Mrs. Carol Davis, president; Mrs. Peggy Koepfer, vice-president; Mrs. Kulenkamp, secretary; and Mrs. Lorraine Decatur, treasurer.

Two new members, Mrs. Sue Scheibel and Mrs. Conni Strotheide, were welcomed at the meeting. Others present were Mrs. Mary Sosa, Mrs. Ann Schmitt, Mrs. Jessie Meng, Mrs. Betty Mathias, Mrs. Mary Coe, Mrs. Elizabeth Day and the following guests: Mrs. Elizabeth Clore, Kathy Scheibel, Cindy Strotheide and Carrie and Paul Day.

Plans were made for the autumn and winter, and the club was invited to the country home of Mrs. Meng near Edwardsville for a picnic in October. Co-hostesses will be Mrs. Maxine Anderson and Mrs. Thelke.

War I Vets To Form Teams

A meeting of Madison Barracks 34 and Auxiliary, Veterans of World War I, was held Tuesday evening at the VFW hall.

Preceding the meeting Joseph Cusumano, manager of the Tri-Mor Bowling Alleys, discussed with the group the forming of bowling teams.

The meetings were called to order by Commander Otto Schwartz and President Edith McAlister. Fifty were present. The charter of the Barracks was read in memory of a deceased member, Dwight Hamon, and plans were made by several of the group to attend the national convention in Indianapolis Sunday through Wednesday.

An invitation was also received from the Edwardsville Barracks and Auxiliary to a 10th anniversary celebration Sept. 17 at the VFW hall, Edwardsville.

Hostesses for the evening were Mrs. Marie Stechmesser and Mrs. Grace Hutchins and refreshments were served after the meetings.

AAUW Tea Set for Saturday; Vacation Auction is Planned

Plans for the coming season have been made by the Granite City Branch of the American Association of University Women.

Topics to be covered during the year are "Society's Reflection in the Arts," "Testing Values in a Changing Society," "The Growing Gap Between the Rich and Poor Nations," and "The Politics of Public Education."

A tea for new friends will be held Saturday from 2 until 4:30 p.m. at Sunset Hill Holiday Inn on Route 157. The topic at that time will be "Society's Reflection in the Arts."

Other events of the afternoon will be orientation of new members by Mrs. Ruby Foster and a "vacation auction." Miss Marguerite Barker is in charge of reservations for the tea. Other programs and events are planned to cover the year's topics.

THE WEDDING OF Miss Sneed and Mr. Mangiaracino will take place at St. Elizabeth's Catholic Church.

Surprise Shower For Miss Sneed

Miss Lynn Sneed, who is to be married Oct. 7 to Joseph J. Mangiaracino Jr., was given a surprise personal shower Tuesday evening by the young women who are to be in the bridal party, Miss Chris Daugherty, Miss Linda Harris, Miss P. Ann Parkinson, and Miss Joette Siglock at the home of the bridegroom's parents, Mr. and Mrs. Joseph Mangiaracino, 2132 Anna avenue.

Yellow and green, the colors to be used at the wedding, predominated in the decorative scheme and refreshments were served after the games. A number of prizes were awarded.

Those present were Misses Begerman, Nancy Vesce, Karen Green, Pat Parker, Cathy Jung, Norma Dallas, Susie Bileneshter, Virginia Marietta, Barbara Moore, Sherry Black and Mesdames Betty Sneed and Mangiaracino, mothers of the bride and groom-to-be, Marlene Heidreich, Rosemary Pabst, Betty Straley the hostesses and the honoree.

Council Hopes Lane Plan Will End Traffic Tieups

A council-proposed plan to speed up the flow of traffic at the Nameoki - Johnson - Fehling road intersection by painting lane stripes is currently under study, and action is expected in the near future.

Alderman Whitmer, chairman of Police committee, advised the council Tuesday night that Police Lt. William Condis has a sketch of the proposed lane markings that would designate left turns. Council members were asked to visit police headquarters and study the sketch.

Another recommendation was made for the traffic signals at the intersection to be changed to designate left turns and to permit right turns on a red signal after a stop is made.

Alderman Robertson called upon Mayor Partney to confer again with state highway officials to determine if the turn signals can be installed. He requested the state's engineers result in rejection of the proposal. A survey, the state said, showed minor delays and tieups caused by vehicles turning left.

Busiest Intersection

Robertson argued that the intersection is one of the busiest in the city and warrants turn signals. The traffic lights at Nameoki and Madison avenue and at Nameoki and Ponton roads have turn arrows, he noted.

Ordinances are to be prepared designating no-parking zones for 250 feet on either side of Johnson road east of Nameoki road and 350-foot zones on either side of Fehling road west of Nameoki road.

Seventh Ward Alderman Robertson also called for action on repairs to the Michigan avenue alley that he said still is impassable because of the construction of apartment houses.

Mayor Partney said a letter is to be written to the contractor by the city attorney, and he recommended the street superintendent also visit the alley and order repairs to be made. Robertson suggested the inspection department gather necessary information and issue a warrant to get the repairs made.

Repairs to the 22nd street railroad crossing were requested by Alderman Poulos, who said the several networks of tracks that cross the street are in need of attention.

Nonn called upon Mayor Partney to arrange a meeting in Springfield with state highway officials during the Illinois Municipal League convention later this month. The alderman at the convention hope to determine the extent of state cooperation in the city's proposal for getting federal aid for a Niedringhaus avenue overpass and for federal funds to improve Niedringhaus avenue, West 20th street and Rock road as access routes for Federal Aid Route 151.

SPECIAL AWARDS AND CITATIONS, earned by Granite City Army Depot personnel for participation in the U. S. Savings Bond program, recently were presented to Directorate representatives by Col. Charles E. Hoskin III, depot commanding officer. Front row left to right—Col. Hoskin; Adrian Copeland, directorate for Maintenance; William Jenkins, directorate for Supply and Transportation; James Williams, personal staff; and Major Vincent Passero, directorate for Services. Second row—Frank Collins, directorate for Administration; C. Wayne Banks, comptroller directorate; Lt. Col. George B. Thomson, directorate for Supply and Transportation; George E. Moore, directorate for Quality; and Mrs. Pauline Weir, Depot savings bond officer, who witnessed the presentation.

U. S. Savings Bond Awards Presented In Depot Ceremony

Top U. S. Savings Bond awards received by the Granite City Army Depot at its 25th anniversary celebration last month were extended to representatives of the installation's various directorates, whose personnel enabled the Depot to continue its overall 92% program participation.

"Minute Man Awards" and the "Commander's Special Citations" recently were presented to Depot organizations by Col. Charles E. Hoskin III, commanding officer, during a monthly supervisor's luncheon. Two organizations whose employees number less than 100 persons were presented the Commander's Special Citation. They included the Commanding Officer's Personal Staff, 100% participation and winners of the citation for six consecutive years; and the Directorate for Quality, first year winners with 98% participation.

"Minuteman Awards" were received by the Directorate for Maintenance, nine consecutive years, 99% participation; Directorate for Administration, seven consecutive years, 93% participation; Comptroller Directorate, seven consecutive years, 92%; Directorate for Services, eight consecutive years, 86%; and the Directorate for Supply and Transportation, seven consecutive years, 86%.

For continuous and outstanding participation in the U. S. Savings Bond program, the Depot earlier received the "Minuteman Flag" with four stars and the "Secretary of the Army's Special Award." The two awards were presented Aug. 1.

Mrs. Pauline Weir, Depot savings bond officer, and key personnel from the various directorates were on hand for the luncheon.

Marine Wm. Martin Killed in Vietnam

Marine Lance Cpl. William D. Martin, 22, of Springfield, Ill., nephew and cousin of three Granite City residents, was killed Saturday in Vietnam, while in action against hostile forces near Quang Tri.

His parents, Mr. and Mrs. John Martin, 118 West Reynolds street, Springfield, were notified by military authorities Tuesday. Funeral arrangements are pending arrival of the serviceman's remains in his home community.

Lt. Col. Martin was the nephew of Mrs. Wilson Widows, 3316 Franklin avenue, and cousin of William and Ray Gaines of Granite City.

A graduate of Springfield high school, where he participated in several varsity sports, the Marine entered the service about two years ago after attending college his freshman year. He was stationed in Vietnam about seven months.

Besides his parents and local relatives, he is survived by three brothers, Jack, Kenneth and Elmer Thomas Martin, and a sister, Mrs. Donna Stredle, all of Springfield.

Radio Aerial Broken

Steele Gaston, 2108 Wayne avenue, reported at 11:30 p.m. Tuesday that a radio aerial was broken from an Illinois Power Co. auto while it was parked at his home on Sunday.

Stroud to Tour Korea With USO Troupe

Fred E. Stroud, 157 Voight place, Mitchell, will leave Oct. 10 for an eight-week tour with a group of USO entertainers who will visit Korea, Japan, Thailand, Taiwan and The Philippines.

A life-size dummy, "Senator Short Horn," currently is appearing nightly as a pianist-ventriloquist at the Northeast Holiday Inn in St. Louis. He said the featured performer on the USO-contract tour will be Miss Brenda Lee, and the theme of the overseas show will be along country and western lines, he added. The entertainers are scheduled to arrive in Seoul, Korea, on Oct. 15 and from there will go to Tokyo, Japan, and then on to the stops at Manila, Taiwan and Thailand. It always announce when I perform before groups of servicemen that I'm from Granite City, and you'd be surprised how many times there are local boys in the audience," Stroud told the Press-Record.

Family Pride, Neat, Safe City Urged

To the Editor:

I have been so concerned over the Negro problem and how it could be remedied that I decided to appeal to the representatives and news media for their consideration of the matter.

The college edition of Webster's New World Dictionary of the American Language defines the Negro as a black person, a member of the dominant black race of Africa; living chiefly in the Congo and Sudan region; or any other black races of Africa, such as a Bantu, Hottentot, etc.; any person with some Negro ancestry. Webster also defines Nigger as a member of any dark-skinned people (a vulgar, offensive term of hostility directed at the Negro, as used by Negroophobes). Negrophobia is defined as a person who hates or fears Negroes.

The word Negro or Nigger having the same meaning, black has become an image with an ugly stigma in the hearts of the minds of the majority of the white citizens of this country to the black American citizen. Therefore, I suggest that both the words Negro and Nigger be considered obsolete and eliminated from all printed materials, news media and campaign speeches.

In its place, "black citizens" or "black people" could be used, the same as white citizens or white people. I believe if this is done, the ugly image and stigma will not long endure.

No amount of money can change an image in the hearts of people. Many of the white citizens' image of the Negro is that they are all alike. No black American citizen wants to be known as a Negro, nor would any white citizen want to be known as a Negrophobe.

The image and stigma of a Negro community of slums, ignorance, unemployed, diseased and welfare cases, with no police protection and no restrictions set by city officials. A male Negro supposedly has low morals, is shiftless, lazy, not dependable, and a lot of other things.

A female Negro supposedly has low morals, is nasty and vulgar. A Negro community is located across "railroad tracks" from a white community. Although it is a ghetto, the streets and utilities are high and little insurance can be bought.

The children of such communities are expected to grow up, live, die and be buried in the same conditions as their parents.

Would any race of people want to leave as a heritage to their children this ugly image and stigma? No, not if they are poor or poverty stricken people in all races, but only the American Negro is so singled out.

Small wonder white people do not want their children sitting side by side with a Negro child, for many feel association will bring about assimilation. No one wants his child burdened with such a stigma as even to be known as a Negro.

In the sunny south, when a Negro man becomes too old to be called boy and a Negro woman too old to be called girl, they are called a favorite aunt and called by white people.

The word Negro was handed down in America from the days of slavery. It has been its effect on every man, woman and child of the black race in this country.

On job applications, the word "race" is always there. White-Negro. Being rejected by unions no matter what his qualifications may be, he does not meet the standard for the top skilled jobs; therefore, he is the last hired and the first fired.

Few Negro teachers teach white children, not because they are not qualified but because of the stigma of race. Even medical doctors are frowned upon in certain hospitals, no matter what their specialty may be.

The Negro image with its ugly stigma has been fought by many people in many ways.

In 1877, Richard Allen founded the African Methodist Episcopal Church on the Fatherhood of God and Brotherhood of Man, having as its motto, "God Our Father, Christ Our Redeemer, and Man Our Brother."

President Abraham Lincoln, the Great Emancipator, with words of wisdom, said, "No country can long endure half slave, half free." And, in effect, "Any man who is willing to pay the full measure of devotion for his country is worthy of a free land."

President J. Washington, our country's first president, tried to break the image by establishing Tuskegee Institute in Alabama. He stressed learning trades and skills.

President Franklin D. Roosevelt stressed the New Deal, the Four Freedoms and remembering the forgotten man. Branch

such student will be \$1094 (\$294 from the individual, \$432 from his school district and \$368 from the state). Per capita operating cost at universities and colleges is running higher. And where it is necessary to reside away from home, university students encounter additional costs.

But the theory that it would cost every family less and its college to junior college than to a state university has been disproven. All of which recalls an initial concern regarding the junior college issue defeated here — that there were many unknown factors in the proposal submitted to voters.

State, Utility Moving to Begin Water Fluoridation

Although earlier deadlines had been hoped for, it is encouraging that the Illinois Department of Public Health has now moved to implement the mandatory statewide water fluoridation law enacted at the 1967 legislative session.

The department will require submission of fluoridation equipment installation plans by April 1, 1968, with actual operation of the equipment by July 1, 1968. One part per million of fluoride to be added to the water supply to achieve a two-thirds reduction in development of future tooth decay.

Since IDPH Director Franklin Yoder points out that well-timed equipment is conveniently available along with detailed installation and operation instructions, there should be no difficulty in meeting the deadline. The department will require submission of fluoridation equipment installation plans by April 1, 1968, with actual operation of the equipment by July 1, 1968. One part per million of fluoride to be added to the water supply to achieve a two-thirds reduction in development of future tooth decay.

Stevenson Boom Overlooks Fact That There May Be Another Strong Candidate

No governor of Illinois has served three successive four-year terms.

As a consequence, there has been increasing speculation that two-term Gov. Kerner will resign at the end of his term. But State Treasurer Adlai Stevenson III, son of the 1948-52 governor, will run for governor. Recalling Stevenson's success while his running mates were losing in the generally Republican year of 1966, many feel his name would add the spark of excitement needed for a successful ticket next year.

But what is being forgotten is that the incumbent governor has not been conducting himself like a "lame duck" executive. He has not been taking stands that sharply contrast with the public's mood, nor has he ignored the long-range impact of current official actions. Stevenson has maintained a full schedule of public appearances and talks, and has even undertaken the chairmanship of the national commission studying civil unrest.

In short, he does not look to us like a man about to retire from the political battleground.

"I know that you hope as I hope that he will be the standard-bearer in 1968," Mayor Daley of Chicago said in introducing Stevenson at the Illinois state fair last month. And we would never underestimate Mayor Daley's uncanny ability to predict the makeup of future state Democratic tickets.

ably be better off to claim such a loss on the first indication of a loss. But the company, and the security, have become worthless.

Q. What is the best way for a young family man to accumulate a good sum of money over a period of 15 to 20 years?

A. I think helping to form an investment club is an ideal way for a young family man to begin to learn investing.

In an investment club, you will learn by doing, and after two or three years you will know you have the good basic judgment to build an investment account on your own.

Once you have acquired the necessary know-how, you can develop your own holdings outside your investment club either by buying stocks on the Monthly Investment Plan (MIP) sponsored by the New York Stock Exchange, or by first accumulating a few hundred dollars in your bank account and then buying a stock directly through a broker.

On the other hand, you find you need the assistance of the judgment necessary for sound stock purchases on your own, had an excellent record of success.

Earnings per share grew from 19 cents in 1960 to \$1.07 in 1966. Present dividends are 13 cents quarterly, but there are rumors that Continental won't be paying nearly that much. What change, or by first accumulating a few hundred dollars in your bank account and then buying a stock directly through a broker.

White Continental may not continue to grow as fast as it has done in the past, the company seems to hold the promise of continued growth. You need to have a worthwhile investment, and one that from its record should provide an increasing income for you in the future.

50 YEARS AGO

SEPTEMBER 7, 1917

Before school opened in 1917, it was expected that this year would see the largest enrollment ever in Granite City public schools.

Enrollment figures include: Granite City High School, 100 pupils; Teachers and 240 pupils; McKinley school, 18 teachers and 780 pupils; Emerson school, 13 teachers and 520 pupils; Washington school, 13 teachers and 550 pupils; Webster school, five teachers and 150 pupils; and three private schools, five teachers and 190 pupils.

The large enrollment has taxed present school facilities to their limit, and it is expected that more will be necessary to add more

25 YEARS AGO

Mrs. J. R. Witt was hostess to Mrs. J. C. Hughes.

A social time followed the business and program, and refreshments were served.

Members of St. David's Auxiliary held their first meeting of the season, being entertained by the church, the cottage of the president, Mrs. Earl Galloway.

Mrs. A. W. Ferrel called the meeting to order, and after the devotionary service led by Mrs. Ferrel, she introduced the business session.

Music representing various nations was given by Mrs. A. M. Jacob and there was a short sketch, with the following members taking part: Mrs. Dale Klenchmidt, Bessie Morgan, Arnette, Mrs. Roy Kenney, Mary Ann Roberts, W. J. Davis, Jack Morgan, Virgil Hollis and Rhea and the club and three guests, Mrs. Jennie Daniel, Mrs. Dale Morgan and Mrs. Earl Galloway Jr.

Bathing Beauties and Beacon Hill

(Brookline, Mass., Chronicle-Citizen)

If you can give us one good reason why this commonwealth's legislature should be worrying its pretty little head about financing a beauty pageant, we'll give you one free year's subscription to The Citizen. Or, if you are one of that hardy breed who can give us one good reason why we will award you one year off, you won't have to read us.

Think, if you will, about some of the issues before our Great and General Court — education, civil service reform, capital punishment, the courts and law enforcement, public welfare, and constitutional revision. Then, as you contemplate these

my for the Western market, so it can be expected to slowly move into its foreign policy, reaching more and more to Western thinking, with which its leaders are now dealing.

Now that economic planning is talking of more decentralization of authority in order to cure some of the obvious economic ills which still plague Poland. They are taking some of their money from the West.

What effect this economic growth will have on the political scene is not certain, but Poland may become more free to make major decisions in Warsaw, and not have them made for the Poles in Moscow.

Home notes

By Mrs. Catherine R. Mauck, Madison County Home Adviser, Home Economics Extension of University of Illinois

Fall Infants' Wear Has a New Old Look

An old-fashioned look—not old-fashioned styling, but a return to the "real baby"—is one of two new looks for infants this season. The other side of the coin is the "tiny Twiggy" theme, from harmonious to Alvin shifts. Shoppers will find multi-ruffled batiste and organza dresses—this year with a machine-washable, durable press finish—side-by-side with boned knit tents and pant dresses made of bias cut wide waist corduroy. For boys, footed coveralls made of stretch nylon will rub shoulders with plaid Norfolk suits of washable wool.

Multi-colored and patterned pile outerwear, and the very new knitted pile parkas have made their debut in infant styles for both baby boys and girls. Favorite coordinates include matching high-color, lined pile leggings or double-knit stretch pants.

But the big news in outerwear is the knit snowsuit—like the ones grandma used to knit years ago. These are available from domestic manufacturers in easy-to-laundry, hi-bulk Orions as well as in new, machine-washable wool knits from Europe.

Along with standard pastels and white, infant fall fashions come in sudsable bright sun colors, deep earth tones, and such off-beat shades as olive and surf green. And patterns are everywhere—from jungle and heraldic stripes to bolder and brighter prints.

Infants' wear is no longer just covering. It's high fashion—

easier to wear and care for than ever before.

Housekeeping: A-La-Modo
These days you're not only mod if you're mini, and that can apply to housekeeping as well as fashion.

For the daily little happenings in every household that require instant clean-up, get yourself a set of little girl housekeeping tools. Here are five suggestions for using these tools to finish mini-dirt.

1. Small-size carpet sweepers are ideal for party spills, mis-directed ashes, crumbs or whatever accumulates in small spots around the house. The little sweeper also fits easily on steps and stairs and small area rugs.

2. For mopping up, there's a mini-mop—a wet mop for small spills and a little dry mop that can become a large duster for whisking away dust and cobwebs in high places like refrigerator tops, spice cabinets, high shelves and lamp tops.

3. Mini-brooms make excellent fireplace brooms for instant sweeping and for getting at small places all around the house.

4. For all kinds of instant clean-up—large and small—keep a high concentration pine oil cleanser-disinfectant at hand to do three jobs at once—clean, disinfect, and deodorize.

5. Your junior-size housekeeping equipment fits easily under most sinks or in a corner. One set of small tools comes in a carton that can be converted into a carrying kit.

Remember, it's made to be mini, even when it comes to housekeeping and what's more, it's another way to shortcut the cleanup job.

Farm Column

Madison County Farm Adviser

Soybean Test Plots

You can compare several soybean varieties now by visiting test plots located on the Delmar Groedel farm near Marine or Bergmann-Taylor Seed Farm near St. Jacob.

Some new soybean varieties are being grown along with older varieties. Varieties you can see at one or both locations are Delmar, Harosoy 63, Amsoy, Hawkeye, KR-65, Shelby, Belatti, 68, Wayne, Adelsia, Clark, Clark 63, Kent and Custer.

Yield of each variety will be obtained at harvest to provide yield comparisons.

The soybean industry will see this year for the first time a billion-bushel crop, says T. Hieronymus, University of Illinois agricultural economist. Madison County farmers will produce their share of that crop. Soybeans here are tall and well-podded. Leaves on some are beginning to yellow as they approach normal maturity.

Hieronymus thinks the main soybean price-making factor will be the price support system. Lee Rogers, Madison county ASCS office manager, reports that soybean support prices here will be \$2.54.

The price will go below the loan at harvest and above in summer, Hieronymus believes, with the extent of the decline this fall depending upon the amount of pressure farmers put on the market at harvest.

Hieronymus, respected by those who know him well for his frankness and generally sound thinking, draws the following conclusions about the outlook for soybeans: The potential market for soybean protein at home and abroad is large enough to use up a billion-bushel crop. Meal must be competitively priced if this market is to be exploited, with meal prices in the sixty-some dollars per ton range rather than higher. Continued large exports under the P.L. 480 program will help alleviate the oil surplus situation. If meal prices are to remain competitive, the world oil situation will not permit a price support for soybeans as high as \$2.54.

Corn Yield Calculator
Gene Ayward of Madison Service Co. says that playing around with the new corn yield calculator is a favorite farmers' game.

He brought a few to give away. You can use the simple slide rule to calculate corn yields with 56 percent accuracy without husking an ear or correcting for moisture.

The corn yield calculator, developed by University of Illinois agricultural engineers, permits you to make a reliable corn yield estimate with a minimum of effort.

It uses the number of ears per acre and the average size of ears to determine yields. Estimates can be made any time after pollination with more accurate estimates possible as the corn approaches maturity.

To measure yield, simply count the number of good ears in a length of row equal to 1/1000 of an acre. The calculator has a chart giving the length of row to use for your particular row spacing. Then determine the size of the second, sixth and tenth ear by counting the rows of kernels and kernels per row on each ear.

Set the ear size of the number of ears per 1/1000 acre on the calculator to determine the yield. Copies of the corn yield calculator are available for 50 cents from Agricultural Engineering, University of Illinois, Urbana, or your county farm adviser.

Open House Planned

Postal Service Day to Be Observed on Sept. 20

Postal Service Day will be celebrated Sept. 20 at the Granite City Post Office, W. T. Overbeck, postmaster, announced today.

An open house will be held at the Post Office, 24th Street and Madison Avenue, from 10 a.m. to 4 p.m. City carriers will distribute kits composed of eight postal cards which will enable residents to update their mailing lists by having zip codes added.

Each completed card may be sent to the Post Office which serves the address needing a number will be added before the form is returned to the owner. No postage will be needed.

"We feel that a day dedicated to the importance of the postal system in our growing city will be of considerable public value," Overbeck said.

"Unfortunately, many of the services we offer today are little known to the public," he said.

Madison

MRS. LENNA WILLIAMS
1638 Sixth Street
TR 7-3037

ASSIGNED TO FT. BRAGG

Pic Larry Eaves, son of Mr. and Mrs. Nick Wargis and grandson of Mrs. Evelyn Eaves of Madison, was home during the weekend after spending the summer at West Point, N. Y., where he helped to train cadets in use of the M-49 machine gun.

He left Tuesday from Fort Campbell, Ky., for Fort Bragg, N. C., where he will be stationed with the 82nd Airborne Division.

His guests, toured three farms in the St. Jacob area last week. At the Richard E. Ellis farm he learned, among other things, that it takes \$70,000 just to buy the calves that go into the Ellis feed lot each year.

After looking at the hogs and crops on Earl Gansmann's farm, he told about his 20 acres of pumpkins. He showed a medium-sized pumpkin for which he said he will get five cents. Gansmann will get \$2.25 per ton of pumpkins, and he thinks they will yield 20 to 30 tons per acre.

Ray Winter's grade A dairy farm was the third stop. There we learned, among other things, that his cows are temperamental about strangers and only he or his wife can milk them.

Winter does most of the milking during the busy farming season, and we stood outside the milking parlor to watch through the window while she started the milking. The Winter's get about 33 cents a gallon for their milk.

Melons were free at Loesch Farms near Wanda, the final stop, as the Loesch's served guests all the watermelon and muskmelon they could eat, plus a delicious melon-fruit cocktail. Cliff Loesch told the Chamber of Commerce members about the newest enterprise on Loesch Farms—65,000 onions grown this year—and how the crop exceeded expectations. He also demonstrated plant disease control equipment.

Imperial Potentate Of Shrine to Visit Area Tomorrow

Thomas F. Seay, Imperial Potentate of the 900,000 member Shrine or North America, who is scheduled to make his first official visit tomorrow to the midwestern area since his election to the top Shrine post in July at Washington, D. C., will be a one o'clock luncheon guest of Col. Charles E. Hoskin III, commanding officer of the Granite City Army Depot.

Other distinguished guests will include Roy Wilming of Granite City, Potentate of Ainal Temple of East St. Louis, other Ainal Temple officers and members of the Imperial Potentate's staff who are accompanying him on his extended tour of the 170 Shrine temples.

A nationally prominent Chicago businessman and a member of the Media Temple of Chicago, the Imperial Potentate will arrive at St. Louis airport at 10:30 a.m. tomorrow from Tulsa, Okla. He will be escorted by Ainal officials to the temple in East St. Louis, where a press conference is to be held from 11:30 a.m. to 12:30 p.m.

Following the Depot luncheon, Imperial Potentate Seay will depart at 2:45 p.m. for a tour of Scott Air Force Base, and later visit the Shrine of Our Lady of the Snows, near Belleville.

He will conclude his official visit here at a dinner party tomorrow evening, hosted by Ainal Temple officers at the Lawyer's Club in St. Louis. His itinerary calls for him to leave the area Saturday morning for Louisville, Ky.

During his visits with Shrine officials throughout the United States, the Imperial Potentate is discussing several projected programs supported by the Shrine organization. Among the subjects under discussion is proposed addition to the 23 Shriners hospitals for crippled children, maintained by the charitable body.

Several Quad-City Shriners, including Potentate Wilming, will greet the top Shrine executive on his arrival tomorrow at the St. Louis airport.

Proclamation
WHEREAS, the Quad-City Post Offices perform many vital services for the community; and
WHEREAS, each resident of Granite City, Madison and Venice has available to him the full resources of advancing technology to process the ever increasing volume of mail with speed and accuracy; and
WHEREAS, Postmasters W. T. Overbeck, Granite City, William Clinton, Madison, and Charles Simms, Venice, and their employees are our friends and neighbors, in addition to being dedicated public servants, and
WHEREAS, it is in the mutual interest of both individuals and business mailers to cooperate with the Postal Service in its public service programs designed to promote the general welfare and to serve the common good;

THEREFORE, We, Donald Partney, Stephen Maeras and Dr. John E. Lee, by virtue of the authority vested in us as Mayors of the City of Granite City, City of Madison and City of Venice do hereby proclaim:

Sept. 20, 1967, as Postal Day and call upon all citizens of the Quad Cities to join in observance of this day during which we may pay tribute to the Quad-City Postmasters and their employees, as well as all postal employees everywhere in these United States, who daily perform many thankless and unrecognized tasks that benefit us all.

DONALD PARTNEY,
Mayor, Granite City.
STEPHEN A. MAERAS,
Mayor, Madison.
DR. JOHN E. LEE,
Mayor, Venice.

Faces Traffic Charges

Kenneth E. Lee, 2423 Missouri Avenue, was arrested at 3:10 p.m. Wednesday at 23rd and Adams streets on charges of illegal transportation of liquor and careless driving.

Happiness Is...

WHEN YOU PICTURE YOUR FAMILY IN A COMPLETE PACKAGE—1) 3 Bedrooms with large closets, 2) carpeting in living room, hallway, bedrooms and closets, 3) completely built-in kitchen, 4) central air conditioning, 5) drive in garage in the basement, 6) laundry room marked private for Mom only, 7) kitchen with built-in in basement (wait till you see this all in Navajo brick—rathskeller—this list could go on—give a call for more particulars.

WHEN YOU'RE SETTLED FOR FALL in this 2 Bedroom DelHouse. Very smartly decorated with a family size kitchen. Large corner lot, enclosed with picket fence. Monthly payments of \$85.00 will beat rent any time. (Oops, forgot to mention that the attic is expandable for another room.)

LIVING IN A RAMBLING RANCHERO—with carpeted living room and hallway only 4 years old, this brick veneer has all the qualities of a Mother's dream — spacious, large closets, breezeway that would double as ironing or T.V. room (incidentally, the kids could clean their shoes here instead of always tracking), double car garage—plastered and insulated throughout.

A LARGE CORNER LOT studded with trees and shrubbery — sparkling white cottage — oversized bedrooms—carpeted living room—breezeway for midsummer relaxation—attached garage—divided basement just freshly painted where the kids can play separate from the T.V. area. Air conditioning is also provided. Make your call now for this well kept package.

MOVING IN THE RIGHT DIRECTION—that is, a new, new brick veneer ranch with family room and two baths that eliminate all of the early morning rush—double car garage provides plenty of bad weather shelter for the kids—full basement—excellent quality materials and craftsmanship—incidentally both baths are ceramic tiled and have vanities.

The Gasparovic Agency GL-17947

shall be rendered except to the City of Granite City and no dis- counts from the established rates shall be allowed.

(c) That the sewerage rates in force at the time of the deliv- er of the bonds authorized hereby will not be reduced until such time as the amounts required by this Ordinance to be deposited in the Sewerage Bond Reserve Account and the Sewerage De- preciation Account established by paragraphs (c) and (d) of Sec- tion 12 hereof shall in no maximum amount be paid by the City of Granite City, nor will there be any interest on any bonds authorized hereby, within sixty (60) days after the close of the fiscal year, and upon request, to any bondholder. Such audits shall be filed in the office of the City Clerk and shall be made available for inspection by any interested person. The annual audit of the sewerage system shall include:

- (1) A classified statement of the gross revenues received, of the operating expenses of the past operation and of the amount of any capital expenditures in connection with the sewerage extensions for the fiscal year;
- (2) A balance sheet as of the end of each fiscal year, includ- ing a statement of the amount on hand at the end of the fiscal year in each of the accounts created by Section 12 of this Ordinance;
- (3) A statement of the number of customers served by the sewerage system at the beginning and the ending of the fiscal year;
- (4) Such comments regarding the City's method of operation and accounting practices as the auditor may deem desirable;
- (5) That any holder or holders or the original or any pur- chaser of not less than twenty-five per centum (25%) in principal amount of said bonds then outstanding shall be permitted, at all reasonable times, to inspect said extensions and all records and data relating thereto and shall be fur- nished all data and information relating to said extensions which may be reasonably requested;
- (6) That, as long as any of said bonds or the coupons per- taining thereto shall remain outstanding and unpaid, the said City shall not sell, lease, loan, mortgage, pledge or other- wise encumber or in any manner dispose of its sewerage system, or any part thereof, or allow any lien to attach thereto, unless the bonds authorized hereby shall have been paid in full, both as to principal and interest, or unless ade- quate provision shall have been made which shall assure full payment of said bonds and the interest thereon to ma- turity in full, according to their terms;
- (7) That said City shall employ a competent, experienced and qualified person to design and manage the sewerage system and all matters pertaining thereto, and such further employees as may be required for its efficient and economical operation, but the further covenants that no unne- cessary employees shall be employed;
- (8) That the City Council shall require that accounts be rendered to it monthly as of the first of each month, showing the revenues, disbursements and interest thereon in con- nection with the extensions to its sewerage and the amounts on deposit in the several funds provided by Section 12 hereof. Copies of such statements shall be mailed to the original pur- chaser of the bonds without further request;
- (9) That the City and its proper officials and employees shall diligently collect and account for the revenues and charges ap- portion for sewerage service and shall diligently pursue all means provided by law for their collection and particularly the means and remedies set out in Section 11-14-12 through Section 11-14-18 of Article 11 of the Illinois Municipal Code of the State of Illinois;
- (10) That the City will, so long as any bonds or coupons are outstanding, require that proper provision be made for the sewerage system of the City shall be made wherever sewerage service is available.

SECTION 18. In order to insure the efficient and economical operation of the extensions of the sewerage system into the Particular Area No. III of the City and to insure the proper maintenance thereof in an efficient working order, the City covenants as a part of the contract to be evidenced by the bonds authorized hereby, that it will employ, while any bonds or coupons are outstanding, an engineer or engineering firm having a favorable reputation and ex- perience in such work, who may be the City Engineer, if there be one, to act as consulting engineer for the operation and maintenance of such extensions of the City.

- It shall be the duty of such consulting engineer annually to inspect the said extensions, prior to the commencement of each fiscal year, and to file with the City Clerk, prior to the commencement of each fiscal year, a report on the condition of the physical plant and any recommendations which such engineer shall deem to be advisable. Such report shall include the following:
- (a) Advice and recommendations concerning the maintenance, repair and operation of the extensions;
 - (b) Advice and recommendations as to renewals or replacement of any part of such extensions;
 - (c) Advice and recommendations as to extensions within said Area;
 - (d) In case the report should recommend any renewals or replacements or any extensions, the estimated cost of such work shall be stated;
 - (e) Advice and recommendations concerning any revision of the rates to be charged for the services of such extensions as the engineer may deem advisable;
 - (f) A statement of the judgment of such engineer whether the extensions had been maintained in good repair and operating order, with such suggestions as the engineer may deem advisable concerning changes in the method of operating such system.
- The City covenants that the successful bidder or bidders who shall be authorized hereby that if the report of the consulting engineer shall show that the system has not been maintained in good repair and operating condition, it will, as soon as the available revenues of the system and from the depreciation fund established hereby, promptly restore said system to good repair and operating condition; that all recommendations of said report shall receive impartial considera- tion by the City Council of said City, and that the City and City Council shall endeavor in good faith to carry out the recommenda- tions that may be made by the consulting engineer. A copy of this report shall be sent to the original purchasers of the bonds.

SECTION 19. That from and after the issuance of the bonds authorized hereby no additional bonds shall be issued or obligations incurred by said City which are in whole chargeable to the revenues derived or to be derived from the operation of the extensions of the sewerage system into the Particular Area No. III except for im- provements, extensions or replacements of such extensions within that area and except upon compliance with the provisions of one of the subparagraphs of this section hereinafter set out and numbered I, II, III and IV.

Unless the revenues derived from the operation of the extensions for the fiscal year then next preceding the delivery of the additional bonds shall be equal to or exceed the sum of the following:

- (a) The average yearly expenses of operation and maintenance of said system incurred during said year; plus
- (b) The sum of Six Hundred Dollars (\$600) as a depreciation allowance; plus
- (c) One Hundred Twenty-Five per centum (125%) of the highest aggregate combined amount that will thereafter become due in any fiscal year as principal and interest on all bonds or other obligations then outstanding and the bonds or other obligations then to be issued (not, however, including any amounts re- quired to be paid into or held in the sewerage bond reserve ac- count or the sewerage bond redemption account provided by Section 12, paragraphs (c) and (d) hereof).

In which case additional bonds may be issued on a parity with the bonds authorized hereby and entitled to the equal benefit of the accounts established by Section 12 hereof;

of the extensions should hereafter be destroyed or damaged to such an extent that the extensions cannot be operated;

(b) That all funds received from insurance or otherwise avail- able shall be insufficient to pay the cost of the restoration of the extensions to the system to such a condition that it can again be operated. The cost of such restoration shall be determined by the estimate of a reputable and competent engineer or engineer in firm or corporation, selected by the City, with the approval of the holders of 60% of the outstanding bonds. This estimate shall be based upon plans and specifications for the restoration of the extensions prepared for that purpose;

(c) That the holders of at least 60% of the principal amount of the bonds authorized by this Ordinance then outstanding shall give written consent to the issuance of additional bonds on a parity with the bonds authorized hereby and shall file such written consent with the Clerk of the City of Granite City. Such consents shall be acknowledged before a notary public and shall state the precise amount of additional bonds which may be issued.

Upon the occurrence of all of the circumstances above set out in this subsection III, additional bonds may be issued, regardless of the amount of revenue derived from the operation of the system for the then next preceding fiscal year, solely for the purpose of paying the cost of restoring the system so that it can again be operated in an amount not greater than that stated in the consents filed by the holders of the outstanding bonds and on a parity with the bonds authorized hereby.

Nothing in this section shall be construed to restrain or limit the right or power of the City of Granite City to issue sewerage bonds payable from the revenues of the entire sewerage system for the last preceding fiscal year, not to meet the require- ments above stated in subsection I, then such refunding bonds shall mature within twelve months after the maturity date of all bonds authorized hereby and then outstanding.

SECTION 20. That the provisions of this Ordinance shall constitute a contract between the City of Granite City and its holders of the bonds herein authorized to be issued, and after the issuance of the bonds no changes, additions or alterations of any kind shall be made hereto in any manner except in accordance with the provisions of this Ordinance.

SECTION 21. That all bonds issued hereunder shall be payable as they mature equally and ratably, without regard to the date when said bonds are actually delivered, and shall enjoy parity of lien, one with the other, upon the revenues of said extension.

SECTION 22. That any holder of one or more bonds issued hereunder may, either at law or in equity, by suit, mandamus or other proceedings, enforce and compel the performance of all the covenants and conditions contained in the extensions of the sewerage system authorized by this Ordinance, including the making and collecting of sufficient rates for that purpose and the application of the income therefrom to the payment of the principal and interest on the bonds.

SECTION 23. That when the bonds authorized hereby have been prepared and executed they shall be lodged with the City Treasurer who shall deliver them to the purchasers thereof upon payment of the purchase price in accordance with the contract for the sale of said bonds.

SECTION 24. That the proceeds derived from the sale of the bonds hereby authorized shall be deposited by the City Treasurer in a bank or banks to be designated by the City Council, and such funds shall be designated the "Particular Area No. III Construction Fund."

The City Treasurer shall forthwith withdraw from the said Construction Fund and deposit with the American National Bank and Trust Company of Chicago in the City of Chicago, State of Illi- nois, the amount paid as accrued interest plus the sum of Nine Hundred Dollars (\$900), the amount representing interest during construction and for six months thereafter on the bonds authorized hereby. Said sum shall be credited to the Particular Area No. III Sewerage Interest and Principal Account provided by Section 12 hereof and shall be used to pay interest on the bonds as it accrues.

Other payments from the sewerage construction fund shall be made by the City Treasurer and shall be used to pay the principal of the City Council and presentation of a certificate of the engineer charged with the construction of the extensions to be sewerage sys- tem. Such certificate shall state:

- (a) That the work done or the materials obtained were within the contract or contracts for the construction of the extensions (if such work was done or materials supplied or obtained under contract), or that the work which was done or the materials or supplies obtained were within the scope of the contemplated extensions;
- (b) That the work done or the materials or supplies obtained meet all the requirements of the contract (if such work was done or material supplied under contract), or that such work was done or material or supplies obtained under contract, or that the amount to be paid is within the contract price (if such work was done or materials or supplies obtained under contract), or that it is a reasonable value of such material or supplies.

SECTION 25. That if any section, paragraph, clause or provi- sion of this Ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any other provision of this Ordinance and such section, paragraph, clause or provision shall be published one in the Granite City Press-Record, a newspaper published in Granite City, Illinois, and having a general circulation therein and shall become effective ten (10) days after such publication.

Passed this 1st day of August, 1967, and deposited and filed in the office of the City Clerk this 28th day of August, 1967.

Signed this 1st day of September, 1967.

DONALD PARTNEY, Mayor

Dale L. Keel at Cam Ranh Air Base

Airman second class Dale L. Keel, son of Mr. and Mrs. Nathan T. Keel of 2902 East 27th street, is on duty at Cam Ranh Bay Air Base, Vietnam.

Airman Keel, a psychiatric services specialist, is a member of the Pacific Air Force.

Before his arrival in Southeast Asia, he was assigned to the 3796th Student Squadron at Sheppard AFB, Tex.

The airman is a 1966 graduate of Granite City high school.

Sgt. Mitkos Enlists For 2d Vietnam Tour

Sgt. Lynn Harry Mitkos, son of Mr. and Mrs. Leslie J. Mitkos, 2834 Forest avenue, has enlisted for another tour of duty in Vietnam.

Sgt. Mitkos, a 1964 graduate of Granite City high school, has won the Purple Heart, Good Conduct, and the Vietnam service medals.

He will be departing in October for Vietnam from Ft. Wainwright, Alaska, where he has been a squad leader and taught troops about guerrilla warfare.

Reservist Abel Leams Port Captain Duties

Coast Guard Reserve Robert D. Abel, son of Mr. Orville R. Abel of 4115 Breckenridge lane and husband of the former Miss Bertha F. Meiner of Granite City was graduated from the two-week "Captain of the Port" School at the U. S. Coast Guard Reserve Training Center in Yorktown, Va.

As a reservist on active duty, he became familiar with the duties required of an officer placed in charge of protecting port facilities and vessels in port during wartime.

Airman Nelson Chosen For Technical Training

Airman Larry C. Nelson, son of Mr. and Mrs. Walter O. Nelson of 1941 Madison avenue, Madison, has been selected for technical training at Amarillo AFB, Tex., as a U. S. Air Force administrative specialist.

The airman recently completed basic training at Lackland AFB, Tex. His new school is part of the Air Training Command which conducts hundreds of specialized courses to provide technically trained personnel for the nation's aerospace force. Airman Nelson is a 1967 graduate of Madison high school.

Seaman John Ambury On Mediterranean Duty

Seaman Apprentice John L. Ambury, USN, son of the Rev. and Mrs. John H. Ambury of 2138 Dewey avenue, is in the Mediterranean serving aboard the Sixth Fleet destroyer USS Davis.

His ship has seen duty in Vietnam both as an aircraft rescue destroyer with several aircraft carriers and as a naval gunfire support destroyer. As a result of this action the ship holds several battle efficiency gunnery and operations awards.

Sgt. Pratte Graduates From Recruiting Course

Sgt. first class Harold C. Pratte, a Granite City resident, has graduated from the Army Recruiting and Career Counseling Course, U. S. Army Adjutant General School, Ft. Benjamin Harrison, Ind.

The purpose of the four-week course was to provide enlisted personnel with a working knowledge of the techniques and procedures in recruiting and enlistment and in the management of a recruiting station and reenlistment office.

Pratte entered the Army in September 1948 and completed his basic training at Ft. Lewis, Washington.

Sgt. Pratte is the son of Mrs. John E. Pratte of Desloge, Mo. He resides with his wife Patsy in Granite City.

Three-Car Accident

Three autos were damaged in a pile-up Tuesday evening in the 200 block of Broadway at Venice.

Involved were eastbound autos driven by Peggy Johnson, 2811 Grand avenue, Sharon Button, 2019 Beckwith street, Madison, and Donald Brown, 2633 Fifth street, Madison. Police said there was damage to the front of the Johnson auto and to the rear of the Button and Brown autos.

Extra Caution by Motorists Required in School Zones

"There is no sight more heartbreaking than to see an innocent child in the agony of pain," said Chief Ronald J. Veizer. "It is much more tragic when the child's suffering is needless and when it could have been prevented."

Chief Veizer called attention that nearly 8000 child pedestrians under 15 years of age were struck by motor vehicles in Illinois during 1966. There were 130 child pedestrian deaths in this age group during 1966.

Crossing or entering the roadway not at an intersection was the most dangerous practice by these child pedestrians.

There were 31 traffic deaths—most of them children—that resulted from collisions of motor vehicles with bicycles, the Chief added.

Chief Veizer warned motorists to obey school speed limits and to keep their cars under control when passing a school or driving through a school crossing.

Drivers should be ready to stop should a child dash in front of them from a playground or from behind a parked car.

"Constant alertness by drivers, combined with defensive driving tactics, will prevent child tragedy," Chief Veizer emphasized.

Where children are concerned, there is no substitute for staying alert behind the wheel. To drive defensively a motorist should do three things: First, he should see the hazard; second, he should understand how it could affect him; and third, he should take corrective action in time to avoid an accident.

Chief Veizer emphasized that children are apt to act carelessly in traffic and the driver has to think and act for them to prevent a child tragedy.

"Remember," he said, "to avoid the remorse of having struck a child in traffic there is no substitute for staying alert and driving defensively."

District Governor Addresses Rotarians

James Teal, governor of District 646 which includes 47 Rotary Clubs in southwestern Illinois, addressed the Granite City club Tuesday afternoon at the YMCA.

Teal, who is from Monmouth, Ill., had just returned from the Rotarians national convention in New York. He brought the local Rotarians up to date on the national's progress and objectives, and encouraged the local club to take part in learning not only this country's problems, but those of other countries.

About 55 Rotarians attended the meeting. Teal is touring all clubs in his district.
